Key policies are available via the school website or on request from the school.

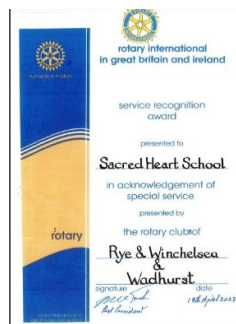

PE	Cross Country Team	For all doing so amazingly well
MUSIC	Eva (Y3)	For a brilliant start to her flute playing
	Imogen (Y2)	For making excellent progress with her piano playing
	Lexie (Y5)	For a polished and confident performance of her piece, Muffin Man. Well done, Lexie!

CONGRATULATIONS:

Octavia (Y5), Lara (Y5) and Poppy (Y5) are members of the Tunbridge Wells U10 hockey club and were all chosen to represent the club in matches against Sevenoaks and also Ashurst last weekend. They competed in 6 matches, to which they successfully won 90% overall of all the matches.

Octavia (Y5) has successfully been offered a team place in a prestigious hockey academy after 3 weeks of rigorous trials. The academy often plays at county level and junior championships.

Sacred Heart School was presented this 'Service Recognition Award' from the Rotary Clubs of Rye & Winchelsea & Wadhurst in acknowledgement of special service.

Another busy and exciting week at Sacred Heart School where learning is fun!

YEAR 2

As part of our Science learning, Year 2 were fortunate enough to receive a very informative visit from Mark White from the charity, Animal Kind. Through the use of some interesting puppets, Y2 learnt how to care for various pets, what they need to keep well and the correct food to give them. We all had a really enjoyable afternoon!

In English, we have been learning about different types of punctuation. In particular, we have learnt how and when to use a question mark. The children wrote letters to the Tooth Fairy to ask her some questions. After posting their letters in our magic fairy post box, we were delighted to receive a reply the following morning answering some of those questions!

We have also had such fun making funky toucans out of clay and decorating them to look really special!

YEAR 3

In our English lessons we have been enjoying the book *Ada Twist Scientist*. In the book, Ada is trying to identify a nasty smell so we undertook a smelling investigation of our own! Having ordered a set of instructions, the children then had to follow these and have a go at identifying a number of different smells! The class really learnt the importance of writing clear instructions and being able to follow these methodically.

In our Science topic, we are studying Animals Including Humans. We have been learning about nutrition and keeping healthy, skeletons and muscles. The class were lucky enough to have a visit from Dr Ramjohn who told them all about the human body. They learnt so many interesting facts, handled some different bones, tried to put organs back into body models and even tried out bandaging and suturing! A big thank you to Dr Ramjohn for coming in and delivering such an informative and interactive session!
