	Rowland (Y2)	For his beautiful melodic singing and top-notch listening and teamwork skills
FRIENDSHIP	Pip (Y4)	Awarded by the Kitchen Staff for always being extremely helpful and tidying up without being asked

### CONGRATULATIONS:

- **Annie (Y2)** who achieved the Rainbow Distance 10 metres certificate and badge

• **Jack (Y5) and Teddy (Y2)** had a truly memorable experience last weekend at the Europa Cup tournament in Paris. Jack walked out of the tunnel in the PSG Stadium and played on the same pitch as Messi, Mbappe and the other great international players. They toured the dressing rooms and sat in the same seats that these superstars sit in on

match days. Jack also received the player of the tournament award from his club, LUCA. His coach said that the award was not only for skilful football but for battling through, matching older boys physically, and never giving up or dropping his game when the matches got tough. He showed a fantastic attitude, focused on his coaches' instructions and gave everything. Teddy has been awarded Player of the Week by his club LUCA for his positive attitude, concentration and focus during this week's training.

- **Sophie (Y1) and Helen (N)** attended Polish Heritage Days in Skinners Academy on Saturday (where they normally attend Polish Saturday school every Saturday).

They met Mayor and Madam Mayoress Woodward of Tunbridge Wells, Polish Counsel in London, Historian Jennifer Grant and the descendants of the Polish families sent to Siberia who later fought on many fronts of WWII.

- **Imogen (Y1) and Harriet (N)**

Imogen and Harriet shared news with us that their Daddy has worked for the Queen for nearly 20 years and has had the privilege of meeting her. We learnt that when you meet the Queen, you must walk backwards out of the room as it is considered rude to turn your back on Her Majesty!

### U11/10 GIRLS CRICKET v Beechwood – Wednesday 25<sup>th</sup> May 2022

U11 TEAM: Laila, Lily (capt), Lettie (capt), Mariella, Lorraine, Anabel, Olivia, Valentina, Liberty, Bea Bea and Millie

RESULTS: 253 to 218, congratulations Sacred Heart

### CYCLING CHALLENGE

Annie and Cianán are completing a cycling challenge in the month of June, to raise funds for the Tunbridge Wells Area Parents Support Group (TWAPSG), who helped Cianán and his family so much when he was diagnosed with Type 1 diabetes. They aim to cycle 100 laps each of their local green, which equates to 11 miles in total, because it had been 100 years since the first diabetes patient was treated with insulin.'

*Key policies are available via the school website or on request from the school.*

# Another busy and exciting week at Sacred Heart School where learning is fun!

## NURSERY

This week in Nursery, we have been preparing for the Queen's Platinum Jubilee. We have enjoyed making stained glass windows and collages of the Queen's face. We have also made bunting and crowns as well as baking delicious crown biscuits.

## YEAR 1

In class music this week, we dived into French composer Camille Saint-Saëns' beautiful aquarium. Using percussion instruments, we recreated the sounds of an angelfish, a rainbow fish, a pink fish and a herd of seahorses as they floated and glided in their watery, magical world.

We have started our topic on plants in Science and we each planted some bean seeds. We will take good care of them and keep a diary of their growth.

During class liturgy in the Mary Garden, we said the Hail Mary using the rosary beads, picked some flowers and decorated our Mary statue.

The Mary focus on our prayer table, which we enjoy looking after, has invited us to say our own quiet prayers in class.

We are very proud of the crowns we made for the Queen's 70th Jubilee!

## YEAR 3

In Year 3 we have created a collaborative art work to commemorate the upcoming Platinum Jubilee. We looked at the work of Andy Warhol and the Pop Art he created. We then used this as inspiration to produce Pop Art pictures of the Queen that were then put together in a giant 70. It looks incredibly effective!

## YEAR 5

During Art lessons, Year 5 have been studying Pop Art. They have learnt that Pop Art is a fun form of art which started after the Second World War and was very different to the very serious fine art of the past. Artists often use images that are popular in the modern world such as

celebrities, Disney characters and everyday objects that may be found in the home. The children looked at the work of various Pop Artists, but especially that of Andy Warhol. Using sweet packets, they then created their own Pop Art inspired work. They had to observe the detail carefully on the packets and recreate this detail in their own work. The children used vivid colours and outlined the detail. The results are absolutely fantastic and are certainly very eye catching!

# A Right Royal Jubilee Celebration!
