THE BRITISH HEART FOUNDATION SPONSORED SKIP

The pupils have been working hard to improve their skipping skills this half term and will be demonstrating their newly acquired skills on Friday 8th March (next week) raising money for The British Heart Foundation. We look forward to receiving all your sponsor forms back with

lots of sponsors! Thank you for your support

WORLD BOOK DAY – Thursday 7th March 2019

Dressing Up - As part of our celebrations for World Book Day 2019, we ask that children dress up as a character from their favourite book or poem. No football kits please, and remember that all outfits must be suitable for a day at school and they should be able to withstand playtimes. Regular school shoes may be the best choice of footwear! Please bring a £1.50 contribution to raise money for Book Aid International which is a very worthy cause, raising money for books for children in Africa (bookaid.org/aboutus/).

Book Swap - We would also like your child to donate a book to swap for another during the day. Staff and parents will also have the chance to swap any donated, adult books after school and make a cash donation to Book Aid International. Please bring books in good condition, and only those with appropriate themes please, from Monday 4th March.

Arts Festival - In addition, we shall be enjoying performances from children who have been entered for the Tunbridge Wells Arts Festival during the afternoon.

PTA AGM – Wednesday 24th April 2019

All good things must come to an end! I think we all agree that we have benefitted from a brilliant PTA over the last few years, however Mrs Colliver has indicated that she would like to hand over the mantle and it seems likely that all committee posts may be up for a reshuffle.

The outgoing committee invites you to the AGM and election of new members on Wednesday 24 April, the first day of the summer term. That gives everyone plenty of time to consider how they would like to support the valuable work of the PTA in building community and raising additional funding for the benefit of the children.

The main fundraiser for the summer term is the Summer Fair. Planning to make this another popular and successful event should probably get underway as soon as possible. If you would like to find out more about how you can help or what is involved please speak to any of the committee members: Mrs Colliver, Mrs Kellam, Mrs Christian, Mrs Cordner, Mrs Leary, Mrs Hughes (to name a few) or leave your name in the school office and we will ask someone to contact you.

We hope for a great turnout on the evening of the AGM as we show our appreciation of the outgoing committee and support for the new.

HOLIDAY CLUBS

Sacred Heart School: We have some spaces still available – please enquire via the school office.

£775 Boarding (Fully inclusive)
£60 day rate
(includes a water bottle and SPARK t-shirt)

Key policies are available via the school website or on request from the school.

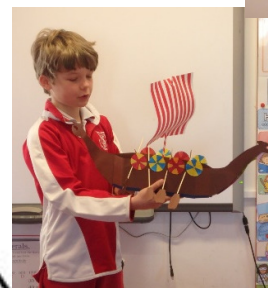

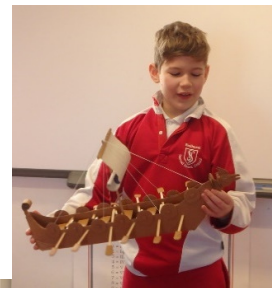

Another busy and exciting week at Sacred Heart School where learning is fun!

Maths Day

On Tuesday the whole school put their Maths hats on to take part in a challenging and exciting Maths Day. They all joined in with great enthusiasm, working intently on a great number of varied tasks such as arranging tiles to fill rectangles and squares, weighing frogs to find a secret name, constructing differently shaped buildings using large wooden blocks, following complicated instructions and eliminating possibilities to solve a post box problem and many more. The problems covered a wide range of mathematical topics. There was a real buzz in the hall throughout the day with the children totally engrossed in their activities. Teachers and students alike agreed that the sessions seemed far too short!

Year 5 – Viking Ships

Year 5 spent their half-term break making Viking Ships. They used all kinds of different materials ranging from chocolate brownies and sponge cake to meccano and card. Some of them we really enjoyed eating! A big thanks to all the parents who helped to make such a magnificent display and to the children for their enthusiasm for learning.

Year 4 Lent Assembly

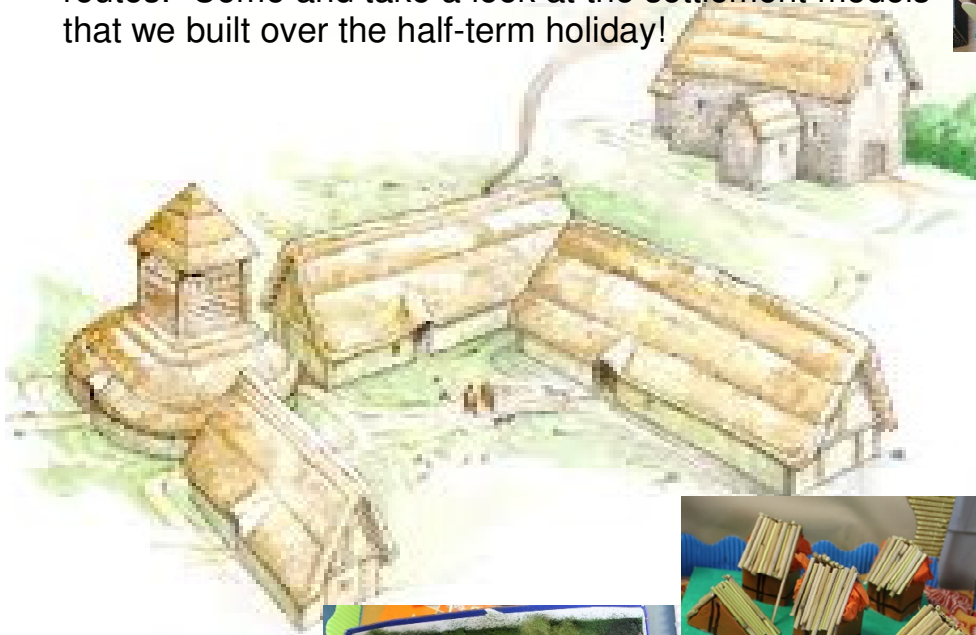

Year 4 presented a Lent Assembly today linked to the work of CAFOD. They asked everyone to **GIVE IT UP** for Lent. As a whole School, we are trying to raise money through our cake sale and other efforts to help families in poverty around the world.

Year 4 have been thinking about settlements in Geography and have also linked it to our topic on Anglo Saxon settlements in England. We have learned about the essentials that all settlers need in order to thrive: water, fuel, space to grow food and rear animals, fertile land, a supply of food and transport

routes. Come and take a look at the settlement models that we built over the half-term holiday!

Year 4 Settlements
