Mayfield School is a leading Catholic independent day and boarding school for girls aged 11 to 18 located in the beautiful Sussex countryside

PTA FUNDRAISING - We just wanted to let everyone know that there are many different ways to raise money for our school PTA. The PTA, as a charity, is registered with the following companies that will donate to our PTA if you purchase through their sites:

-  **smile amazon.co.uk**

If you go to www.amazon.co.uk/smile and choose 'Sacred Heart School Parent Teacher Association' as your nominated charity, Amazon will donate 0.5% of the net purchase price (excluding VAT, returns and shipping fees) of eligible purchases to the PTA.

AmazonSmile is the same Amazon you know. Same products, same prices, same service but you'll be helping raise money towards our school.

-  **easyfundraising**
feel good shopping

You can also register with <https://www.easyfundraising.org.uk> to raise money for the school through purchasing online with a variety of retailers, insurance providers, phone companies and more. There are over 3,700 shops and sites that will give a percentage or a donation to our school.

- 24% of every name tag order at www.mynametags.com will be donated to our PTA. Just use our School ID - 7730 - at the checkout.
- We also now have a JustGiving page where people can donate directly to the PTA. www.justgiving.com/sacredheartsch-pta

Every bit helps. Thank you for your support. The PTA Team

Another busy and exciting week at Sacred Heart School where learning is fun!

NURSERY

In Nursery we have started our new topic of travelling around the world with Paddington. This week we learnt how Paddington was given his name by Mrs and Mrs Brown. We have started by making bridges for bears.

This term Reception are also travelling around the World with Paddington Bear. This week we have thoroughly enjoyed role playing in our coffee shop at Paddington Station. We are looking forward to visiting different destinations in the coming weeks.

YEAR 1

In our Art lesson this week we learned about Claude Monet's life and about historic changes such as the use of trains to travel around and about changes in art, for instance, paint stored in tubes and flat headed paint brushes. All this had an effect on how artists, including Monet, painted. We first practised imitating the short brush strokes and mixing our paint on the canvas (paper!). We soon felt confident enough to create our own lily pond paintings. We enjoyed the challenge and are proud of the end results.

YEAR 2

In RE this week, we have been thinking about what the world would look like if everyone followed Jesus' commandment of 'Love one another'. We agreed that there would be no war, hunger, sadness, unkindness and no-one would be homeless, as we would all be looking after each other and spreading peace. Here is an example of one of our PEACE poems:

P eace be with you and every one of us.
E veryone is unique , special and loved by God.
A ll of us should follow Jesus' commandment to love one another.
C are for everyone and the world will be a better place.
E ach of us should love everyone they meet each day and then peace will spread throughout the world.

YEAR 3

During half-term, the children in Year 3 were asked to do some baking as a way of practising using measures. Judging from the photos that came in, lots of delicious things were made and Mrs Root was even lucky enough to try a rainbow cupcake and a pineapple and carrot muffin.

The children were also tasked with finding as many objects as possible that measured less than 1cm to fit in a matchbox. They found a wonderful range of tiny objects and were then challenged with ordering them by size. The highest number of objects that someone managed in a match box was 36!

YEAR 4

Linked to our History topic, the children in Year 4 were given the task of making a piece of jewellery in a Mayan style over half term. Mayan jewellery contained distinctive patterns or depictions of their gods. The children made some impressive pieces using a range of materials including clay, wood and even household items such as tin foil and card. Well done Year 4!

YEAR 5

Year 5 completed their poetry module by learning to recite a Cautionary Tale. They were given a choice of three: Jim, Matilda or Algernon, and were asked to learn the words over half-term so that they could perform the poem to the rest of the class. They were asked to think about performance techniques, and in particular, adding expression, using a clear and loud voice and considering the use of actions.

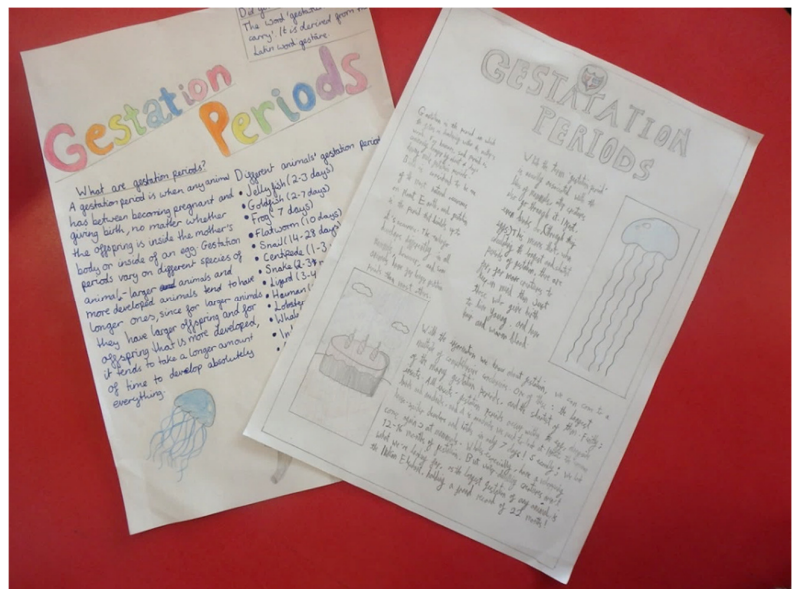

The children all performed their poems on Monday and although they were a little nervous, they all managed to recite the poems beautifully. All the children received merits and marbles for their performance, but a few were given a special prize. Special congratulations go to Lettie, who won first prize as she used a fantastic range of expression and actions in her recital. Laila and Bea Bea were worthy runners up. Charlie was awarded a special prize for learning and reciting his own poem and also helping and supporting another child by joining them in their recital.

Congratulations to all of Year 5 for completing this work so well!

YEAR 6

Children in Year 6 have made some fantastic models of Anderson Shelters having researched them during half term. The time they have taken and the attention to detail are to be commended! Well done Year 6

This week children have also been learning about Gestation Periods in different animals and they created some detailed and well-presented leaflets and posters to demonstrate their understanding.
