RECEPTION

In RE, children in Reception Class have been learning all about Saint Peter, a special friend of Jesus. We really enjoyed listening to the miracle of Peter walking on water. This story taught us how Jesus asked Peter to trust Him, even when he was feeling afraid. We also learned that Jesus never leaves His friends when they need Him most.

We discovered that *anyone* can be a friend of Jesus — all we have to do is ask Him for help.

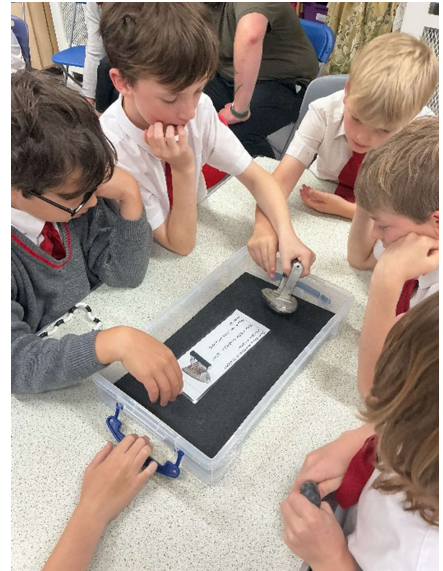

To help us understand the story, we worked together to build bridges to cross the 'water'. Then we had a go at 'walking on water' ourselves! We had to be very brave (just like Peter), especially when the chilly water touched our toes! We also tried painting the swirling waters around Peter. We used different shades of blue and white to show the movement and waves.

YEAR 5

This week, children in Year 5 and Year 6 went on a trip to The Amelia Scott in Tunbridge Wells. We headed off to the railway station in Wadhurst and caught the train into Tunbridge Wells which was great fun! We then walked up to The Amelia Scott where we had lunch and then took part in a workshop on the Victorians. We found out all about Queen Victoria's links to the town and the visits she made there. The children had the opportunity to handle several Victorian artefacts and were challenged with working out what they were for. They were then able to handle further objects to try to answer some questions about them, from letter openers to irons to butter paddles. Heading upstairs, the children looked around the numerous displays the centre has about the Victorian era and the development of the town. Then it was time to head back to the railway station, catch the train back to Wadhurst and then trek up the hill! At this point in the day, a number of parents were heading past us; sadly no one with a vehicle big enough to whisk us all up that hill!

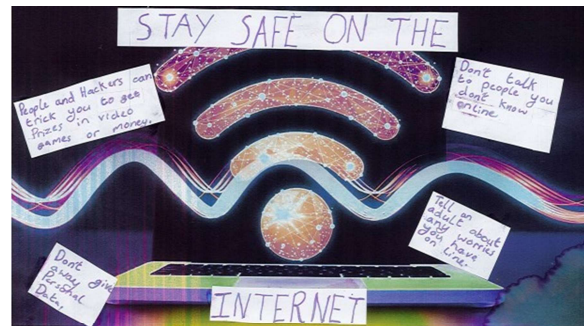

Congratulations to our 'design a poster' winners for Safer Internet Day. Lucy (Y5) and runners up Sienna (Y4) and Genevieve (Y6).
