Rabiul's mum, Mahinur relies on a river for fish to feed her family. But this year, because of climate change, there are no fish for her to catch.

Tell someone about her story so that we can all work together to build a brighter world.

Evening of Music

On Friday 1st March, parents of Mrs Chapman's pupils were treated to an evening of music. The evening's performances ranged from traditional songs, songs from films and musicals, and piano pieces - demonstrating the standard needed for the graded examinations. All performed with composure and professionalism and the concert was rounded

off with enthusiastic audience participation of Edelweiss!

THE BRITISH HEART FOUNDATION SPONSORED SKIP

A successful afternoon of skipping skills was demonstrated by the whole school. If you have not returned your sponsor forms, please bring into the office next week. Anyone who raises £50 or more will be rewarded by the British Heart Foundation with a special skipping rope. A big thank you to Y6 who showed great leadership skills and kindness throughout the afternoon and to Mrs Root for providing a motivational playlist.

World Book Day

We had a fabulous day of celebrating books: children took part in a Bumper Book Quiz, there were book swaps and story sharing opportunities (even during a wet playtime), as well as entertainment from those children who are taking part in the Tunbridge Wells Arts Festival at the weekend.

A big thank you to parents, children and staff who made such a great effort with costumes and for the generous donations to Book Aid International which helped us raise £173. A fantastic result!
