PTA REMINDERS

- Don't forget our Online Promise Auction is now open
www.jumblebee.co.uk/sacredheartauction

- There will be Non Uniform Day at school next Thursday, 20th June in return for bottles and jars for the summer fete tombola stall.

The bottles can be alcoholic and non- alcoholic and the jars can be filled with honey, chutney, jam, sweets etc (anything that you would like to win on a tombola). To keep with our sustainability theme, please can there be no single-use plastic.

Thanks so much, The PTA

Non-uniform day!

SACRED HEART SUMMER SCHOOL

Sacred Heart Summer Holiday Club!

Open to Sacred Heart School pupils, the club will be staffed by SH staff and offer a range of activities to keep your children occupied and entertained in a familiar and safe environment.

27 - 30 August	4 days (Bank Holiday week)

Fees £160 per full week; £35 per day from 9am - 3.30pm
(20% sibling discount for second and subsequent children)

To book your child's place, please email: admin@sacredheartwadhurst.org.uk

Spaces are limited and allocated on a first come, first served basis
Payment to be made when booking

SACRED HEART PTA SCHOOLE FETE

1st WADHURST GUIDES

1st Wadhurst Guides meet in St George's Hall on Thursday evenings, 7 – 9.00 pm during term times and they currently have spaces for 10-year-old girls and older. Girls attend from lots of different schools, both primary and secondary and any newcomers are made to feel welcome. It is great way to support the transition from the primary to secondary stage as year 6 girls will mix with other girls up to year 10.

The Guiding Association has a fun and forward looking attitude giving girls the opportunity to carry out new activities and mix in a safe, non-judgemental environment.

Please contact Adele Gainey via the school office or visit the Guiding Association website to register your interest in local groups. www.girlguiding.org.uk

***Another busy and exciting week at Sacred Heart School
where learning is fun!***

KS1 Spring Concert

Congratulations to our youngest pupils who performed to a very receptive audience at our concert on Monday. Mrs Bradford, Mrs Chapman and Mr Smith's KS1 pupils performed with ukulele, piano and voice; the extra practice paid dividends!

Foundation Stage & KS1 Trip to Ashdown Forest

Foundation Stage & KS1 went to Ashdown Forest this week. After a rainy few days, we went prepared for wet conditions. We explored the forest busily looking for 'Winnie the Pooh' and his friends. We didn't have any luck however a lovely day was had by all. We learnt to listen like deer with our 'deer ears'. We built dens for small creatures and pretended to be bees looking for sources of honey.

KS2 Trip to Wilderness Wood

On Tuesday, children from Key Stage Two had an adventurous day at Wilderness Woods in Hadlow Down. They experienced a range of activities from shelter building Stone Age-style, Map Skills and Orienteering as well as learning about Life Cycles and Habitats.

LOVE – LEARN – GROW – WORSHIP

Key policies are available via the school website or on request from the school.

Year 3 completed an activity session based on the Stone Age. We went down into the woods, keeping a careful eye out for Stone Age predators! Once there, we learnt about how these early people would have made fire. Our leader, then taught us how to make shelters using Y-branches and a roof bar. We had to cover our shelters with greenery to ensure they were as waterproof as possible. We then had to get into the shelters whilst water was sprinkled on top to see how good a job we had done. Some of us got quite wet!

Y1 Assembly

Thank you to Year One who brought the story of Pentecost to life with their beautiful Class Assembly. Through dance, drama, prayer and song they reminded us of the gifts of the Holy Spirit and this great feast day which marks the birthday of the Church.

KS2 Robotics Workshops

Key stage 2 learnt all about Robotics this Thursday. An expert came into the school and explained how robots are becoming fairly common in our daily lives. He showed the children that robots are being developed all the time and during our lifetimes they will continue to take over more and more human activities. Children thought about the advantages and disadvantages of this robotic future. They were then able to control different robots to make them complete tasks requiring precision and accuracy and they experimented and played with some of the other robots. All the children really enjoyed the sessions which were great fun, but they also gave children an insight into the important role that Robotics will play in all our futures.

LOVE – LEARN – GROW – WORSHIP
