ART COMPETITIONS – OPEN TO KS1 AND KS2

COVER DESIGN COMPETITION

Cover Design Competition

Pupils are invited to design the images for the front cover of our National Sports events' programmes. Copies will go to the event spectators – more than 1,200 of them in total.

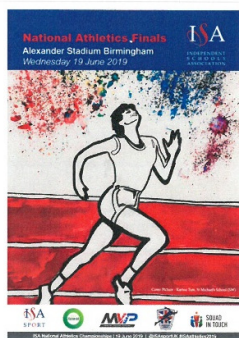

Each competitor may submit one entry only per category.

This competition is only open to current pupils of ISA Members' schools.

- The image must be portrait in high res JPEG image (min 300dpi).
- Text must not be included.
- Maximum of 8 entries per school.

Deadline to enter:

Original entries must be handed in to school office by Friday 12 July

TRINITY THEATRE

Fresh Paint is a visual arts competition for 5 – 18 year-olds at Trinity Theatre as part of the ArtsBox Festival 2019, celebrating the creativity of local young people.

There are four categories:

School Years 1 – 3 | School Years 4 – 6

School Years 7 – 9 | School Years 10 – 13

Anyone aged 5-18 can take part.

The deadline for submitting artwork is **Wednesday 24 July**.

There will be winners in each category, and three overall winners.

All artwork will be judged by members of the local arts community and displayed in the Trinity Gallery from 5 – 18 August.

The theme for the exhibition is 'Adventure'. Artwork can be in any form (painting, sketch, collage, photograph or 3D artwork); it just has to show what 'Adventure' means to you.

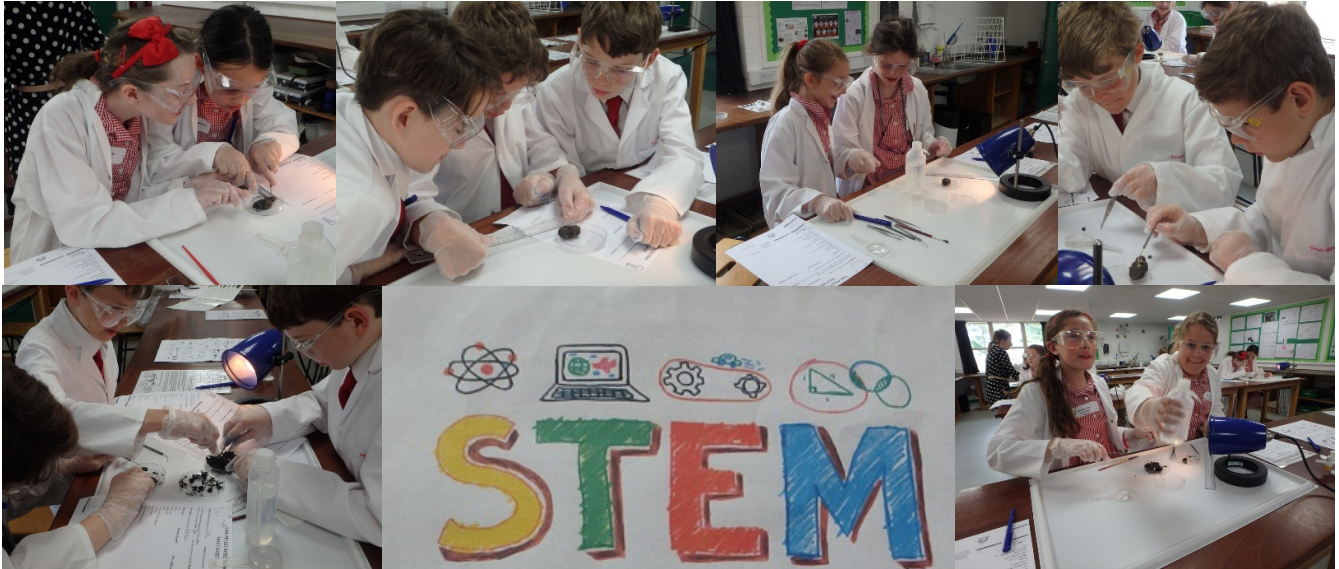

To register please **fill out the form** (please note you don't have to have finished artwork to fill in the form – this is just to register!)

Any questions, email Jess at education@trinitytheatre.net

A big 'Thank You' to those parents who support the School by using the easyfundraising website. Another busy and exciting week at Sacred Heart School where learning is fun!

REPORT ON THE MAYFIELD EUREKA! STEM DAY

Today I went for a S.T.E.M. day out at Mayfield school. Before I went I was excited about the day, but I did not know what to expect. In the end I really enjoyed my day.

For our first workshop we did biology which was SUPER fun. What we did was: There was a piece of earth and we had to find bones from animals that had been eaten by other animals, usually an owl. I worked With Charlie D and together we did very well (well that's what the teachers thought).

Next, we did physics which was also AMAZING. This task was fun but also challenging. We had to attach a balloon to a hand- made basket and put a marble in. We had to get this from one side of a diagonal rope to the other. (VERY HARD)

Then for Maths we did some equations and doubling. This was challenging and fun too.

The interactive I.C.T. workshop involved playing a computer game – in school! That was brilliant, and we got to play a game that used to be one of my all-time favourites, Minecraft.

I would really recommend this day to anyone else who wants to find out more about Science, Technology, Engineering and Maths. It was a really fun day that also taught us a lot – and we got to really try things out for ourselves, rather than just sitting still and listening so I liked the interactive bits most.

Feast of Sacred Heart Picnic

St Philip Howard

Stine Baerg

We started the day by celebrating our Feast Day Mass together in Church. We were delighted to receive a card from Bishop Richard sending us his prayers and a special blessing on the Feast of the Sacred Heart. Ice lollies at breaktime followed by Foundation Stage Sports before a picnic lunch in the sunshine. We enjoyed an exciting afternoon of KS1 & KS2 events before retiring tired but happy – to recharge the batteries for the Summer Fete tomorrow!
