PLAYER OF THE MATCH: Anabel for great bowling

RESULTS: SHS won 258-252. Congratulations to Sacred Heart

FLUTE & CLARINET LESSONS

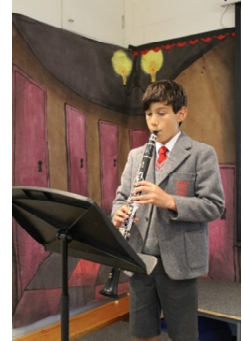

Flute and Clarinet lessons have been back in person this term, with the instrumentalists really enjoying their 'live' lessons and making great progress.

Mrs Crowley has space to start some new pupils in September and is able to offer a Special Trial Package, which will include 5 lessons at a discounted price with the loan of an instrument.

Please contact the school office for further details.

Tuesday 6th July - Strictly by appointment only
Wednesday 7th July - Strictly by appointment only
Bookings are now open

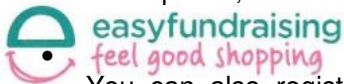

Many senior schools are now advertising in-person events for the Autumn Term specifically for September 2022 entrants. Do check school websites for details.

PTA FUNDRAISING - We just wanted to let everyone know that there are many different ways to raise money for our school PTA. The PTA, as a charity, is registered with the following companies that will donate to our PTA if you purchase through their sites:

If you go to www.amazon.co.uk/smile and choose 'Sacred Heart School Parent Teacher Association' as your nominated charity, Amazon will donate 0.5% of the net purchase price (excluding VAT, returns and shipping fees) of eligible purchases to the PTA.

AmazonSmile is the same Amazon you know. Same products, same prices, same service but you'll be helping raise money towards our school.

You can also register with <https://www.easyfundraising.org.uk> to raise money for the school through purchasing online with a variety of retailers, insurance providers, phone companies and more. There are over 3,700 shops and sites that will give a percentage or a donation to our school.

24% of every name tag order at www.mynametags.com will be donated to our PTA. Just use our School ID - 7730 - at the checkout.

- We also now have a JustGiving page where people can donate directly to the PTA. www.justgiving.com/sacredheartsch-pta

Every bit helps. Thank you for your support. The PTA Team

Another busy and exciting week at Sacred Heart School where learning is fun!

YEAR 1

We learned about Andy Goldsworthy and his amazing land art. We chose our own natural materials and worked in small teams to create our own pieces and thought of special names for them such as Shell Palace, Pine Cone Forest, Morning Sunshine and Magic Rock Circle. We loved making something with our friends and being outside.

YEAR 2

We have been having fun reading and writing poems on different BIRDS in Literacy. Here are a few of them:

On a clear, blue day
Under the delicate blossom trees
The wrens come
Enjoying the sun, flapping from branch to branch
Jumping and tweeting
Over the lush fields where sheep graze.
Emily

On a golden Summer's day
Under a shining diamond sky
The pigeons come.
They tweet and cheep
Swooping and sliding
Over the houses and restaurants.
Isaac

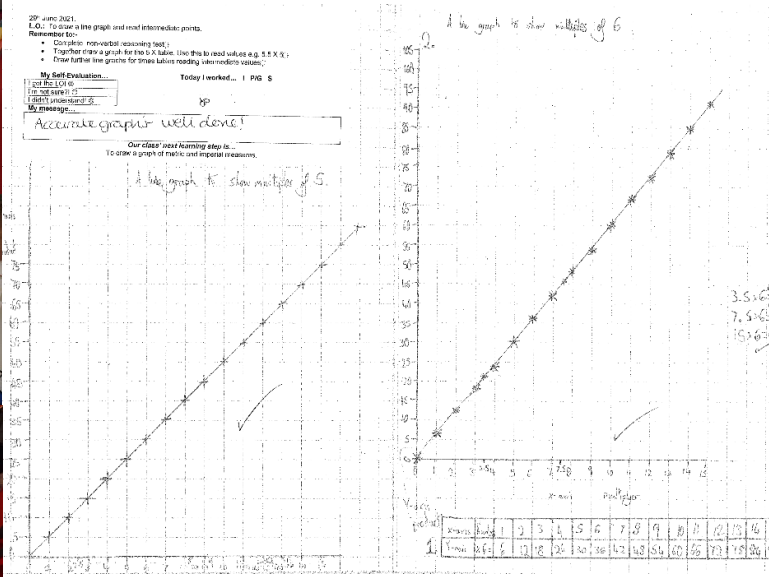

My black ice cream beak leads the way.
My outstretched fingers help me fly.
My pure white snowy neck guides me.
My black full stop eye looks for danger.
I am a jet plane taking off.
Lexie (about a Swan)

My long stretched out fingers help me to fly.
My small black pea eye helps me to look for food.
My powerful neck helps me defend myself from predators.
My black as soot feet flippers help me to skim the water.
I am a white seaplane taking off from the glistening water.
Octavia (about a swan)

YEAR 5

Year 5 have been drawing and interpreting Graphs in their Maths work this week. They have been focusing on plotting graphs with constant rates and understanding intermediate values. They have used this to then convert distances and measurements. The more accurate their graphs, the more accurate the conversion and so this called for a lot of precision and concentration. This was tricky at first, but all the children were able to draw precise graphs by the end of the unit and their conversions became more and more accurate. Well done for your hard work Year 5!

YEAR 6

This week in Year 6, children have been learning about Catholic Social Teaching and how we can make a difference through living out its values. They have written new prospectuses for our school which explain how these values are actually lived out in our school as well as writing pages for a book which describe how they can 'change the world for the good of all'.

In Geography children have been writing the lyrics for a national anthem and designing flags for their islands. They have thought carefully about the symbolism in national flags.
