Another busy and exciting week at Sacred Heart School where learning is fun!

FUN IN THE SNOW!

NURSERY

This week in Nursery we have been enjoying The Gruffalo Story. The children have painted Gruffalo clay characters, they have made log pile houses, they have measured snakes, made swirly snakes, made the Gruffalo's orange eyes and have retold the story using props.

YEAR 1

We have been very busy creating our Mothering Sunday cards. The painting was rather tricky, but we all enjoyed the challenge and put our heart and soul into it. We hope you will like our creations. In English, we practised retelling Pie Corbett's version of The Hare and the Tortoise, wearing our special head bands and using lots of actions.

Key policies are available via the school website or on request from the school.

YEAR 3

This term, the Science topic in Year 3 is Forces and Magnets. As part of this topic, we have investigated friction this week. The children had to conduct an experiment looking at the effect of different surfaces on a toy car. Having predicted which surface they thought would exert the most friction, they then tried out surfaces of fur, bubble wrap, felt, sandpaper and carpet. The children were most surprised by the amount of friction bubble wrap exerted!

YEAR 5

Year 5 have been studying the work of Wassily Kandinsky (1866-1944) who was one of the founding fathers of abstract art. He felt that he could express feelings and music through colours and shapes in his paintings. The children studied several of his compositions, looking at shape- both organic and formal, colour and line. They then used his work as inspiration to create their own pieces using black pen, wax crayon and water colours. The results are fantastic and the children showed themselves to be budding Kandinsky artists- well done Year 5!
