AUTUMN MUSIC CONCERT - Tuesday 14th November

5pm: Y1, Y2, Y3

6pm: Y4, Y5, Y6

All musicians - whether they learn at school or with an outside teacher - are welcome to perform at the concert. Your child's music teacher will let your child know what piece s/he is performing. This is a wonderful performance and confidence building opportunity and we look forward to listening to and supporting all our budding young musicians! If your child has lessons outside of school, please contact Mrs Wibberley to discuss performance pieces.

Children in Need – Friday 17th November

Children are welcome to come into school wearing a spotty accessory along with a contribution of £1 for the charity. The CAFOD club will be collecting children's donations on arrival. In the afternoon we will be having an informal variety show where each class will have the opportunity to showcase their talents either by singing, dancing, reciting poetry or any other act of their choice. This will be an enjoyable afternoon raising funds for a very worthy charity.

Next week we will be having a Friendship Focus Week. We will be promoting positive relationships. It's a chance for everyone - in school, at home, in the community or online - to reach out to others.

CHRISTMAS FAIR – Saturday 2nd December Donations Week

We'd also like to ask for your support in donating the following items for our stalls. Collection boxes will be available everyday next week – from 13th to 17th November outside the Foundation Stage building and the Office. Items can be brought in on any day.

- Bottles for our bottle tombola
- Chocolate for the chocolate tombola
- Second hand toys
- Small party bag style gifts for prizes
- Unwanted, unused gifts that can be re-gifted

YEAR 1

Year One have been learning about Remembrance in the History lesson and enjoyed making poppies in Art.

In RE we have been learning about The Annunciation. First, we retold the story first by acting it out and then recording it. We looked at a collection of Annunciation artwork and talked about which we liked best and why. We used our favourite pictures to start our own 'The Story of Jesus' Birth' picture book.

YEAR 4

Year 4 were set the task of making volcanoes over the half term and everyone was so impressed with their work! Every volcano was unique, they were different sizes, made from a variety of materials and they all looked spectacular! It was clear that the children had put in a lot of time and effort and many had included details such as trees, the sea and even people! We had lots of fun erupting the volcanoes using a combination of vinegar and bicarbonate of soda and one volcano even erupted glitter! Great work, Year 4!
