## SCHOOL COUNCIL – SWAP SHOP

On Friday, 27<sup>th</sup> June at the Summer Fair, our School Council will be running a 'Swap Shop' stall. Children are asked to bring in to school three toys or books that they would be willing to swap. Children should bring these items into school on Thursday, 26<sup>th</sup> June ready to swap at the school fair the following day.

## YEAR 6 BENCH PRESENTATION

On behalf of all the parents of children in Year 6, Mrs Hardie made a formal presentation of the wonderful new bench they have generously given to the school. They also presented a beautiful new rose for us to plant named 'Sweet Child of Mine'. Mrs Hardie used the analogy that our Year 6 children have grown only so far (like the rose) and, as wonderful as they are, it is time for them to be 're-potted' into their next schools where they can continue to flourish! What a wonderful analogy!

# YEAR 1

For their Science topic on plants, children in Year 1 have each been growing their own runner bean plants. We planted the seeds, looked after them and recorded their growth in our plant diaries. As you can see, they are all thriving! 'It looks like a forest in the classroom!' could be heard.

Children made the most of the lovely weather and did a wildflower hunt outside. Walking through the school grounds, they managed to spot all the wildflowers on their ID sheets and some more!

We very much enjoyed our last Forest School session which we were lucky enough to have first thing in the morning when it was still cool!

# PEOPLE WHO HELP US

Over the past few weeks, children in Foundation Stage have been fortunate to welcome several special visitors as part of our "People Who Help Us" topic. These visits have provided exciting, hands-on learning opportunities and helped the children understand the important roles that different helpers play.

We were delighted to have a police officer visit us who brought along a uniform for the children to try on — a real highlight! Mrs Fitzpatrick also joined us to talk about her work as a vet, sharing insights into caring for animals. Mr Paton-Philip came to speak about his role as a lawyer, helping the children learn about how lawyers support people with rules and justice. Additionally, Dr Ramjohn spoke to the children about her role in helping care for people's health. The children even got to practise some medical skills themselves, safely using bandages and syringes, and measuring each other's heartbeats with a stethoscope. Finally, Dr Farah Ramjohn visited to discuss what it's like to be a dentist, explaining the importance of keeping our teeth healthy.

We thank all our visitors for their time and enthusiasm.

# SCHOOL DISCO

On Friday, 13<sup>th</sup> June, children from Nursery to Year 6 were thoroughly entertained by Captain Fantastic at the PTA Disco.

A huge thank you to everyone who helped to organise and run the evening especially Dr Ramjohn whose endless creativity helped make the event a big success with all the children.
