SUMMER FAIR – FRIDAY, 28TH JUNE

After the excitement of Sports Day there was the fantastic PTA Summer Fair, enjoyed by all. Pupils past and present combined with young and old to play and have fun whilst raising money. Thank you to everyone who helped make the day so successful. Initial rough estimate, still to be finalised is £3600 – wow!

BATTER OF THE MATCH: Rowland

BOWLER OF THE MATCH: Freddie

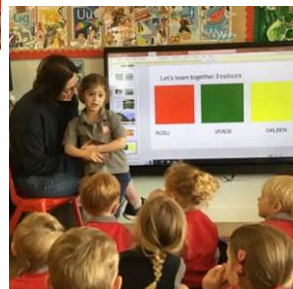

FIELDER OF THE MATCH: Charlie

RESULTS: Lost - 215:220

NURSERY

Thank you for all the parents who talked to the Foundation Stage for our topic 'Around the World with Paddington'.

- Mrs Haysom – Middle East, in particular Abu Dhabi and Bahrain
- Mr Crowley – Chile
- Mrs Murphy - Romania
- Dr Ramjohn - Guyana
- Mrs P-P - Germany
- Mrs Arriaga – Portugal

YEAR 1

On Wednesday, Mr Laverty (Eddie's Dad), visited Year One to talk about being a pilot. We asked lots of questions and Eddie's daddy answered them all! We tried on a pilot's jacket and cap and we wore a special lanyard. Mr Laverty explained that there are different types of aeroplanes. He talked about how much luggage they can carry, how big the engines are, how far the planes can fly and at what altitude. We learnt how many pilots there are on each flight and how and where they eat and sleep. Being a pilot is an amazing job!

FOUNDATION STAGE & KS1 CIRCUS DAY

On Tuesday, children from Foundation Stage and Key Stage 1 enjoyed a Circus Day. After watching a short demonstration, they had the opportunity to juggle scarves, spin plates, balance peacock feathers on their hands, walk with stilts and walk along a tightrope. Children also had the chance to make popcorn, create carousels and clowns, and played with the parachutes. A very special thank you to Mrs Taylor who came in to do facepainting for the children. An enjoyable day was had by all.

YEAR 5 & 6 WAKEHURST PLACE

Children from Year 5 and Year 6 visited Wakehurst Place this week, as part of their science studies about reproduction in plants. They each dissected a flower, identifying the different parts, and then used microscopes to look more closely at pollen and ovules. They were amazed by the detail they could see. They also examined a number of different types of flower to compare their structure. Later, they went on a search of the grounds, to find different types of seeds and how they are dispersed. They also searched for pollinators and looked for clues from the shape of flowers, that might tell them what kind of insect would pollinate that flower. They really enjoyed walking through the magnificent grounds, and were especially delighted to see ducks, ducklings and some baby goslings too! All the children were given a token to visit again, free of charge, with an accompanying adult. There is so much to see and do at Wakehurst and hopefully many of the children will take the opportunity to visit again for free over the summer holidays.

YEAR 6 WE'LL MEET AGAIN
