## WADHURST OPEN GARDENS POSTER COMPETITION

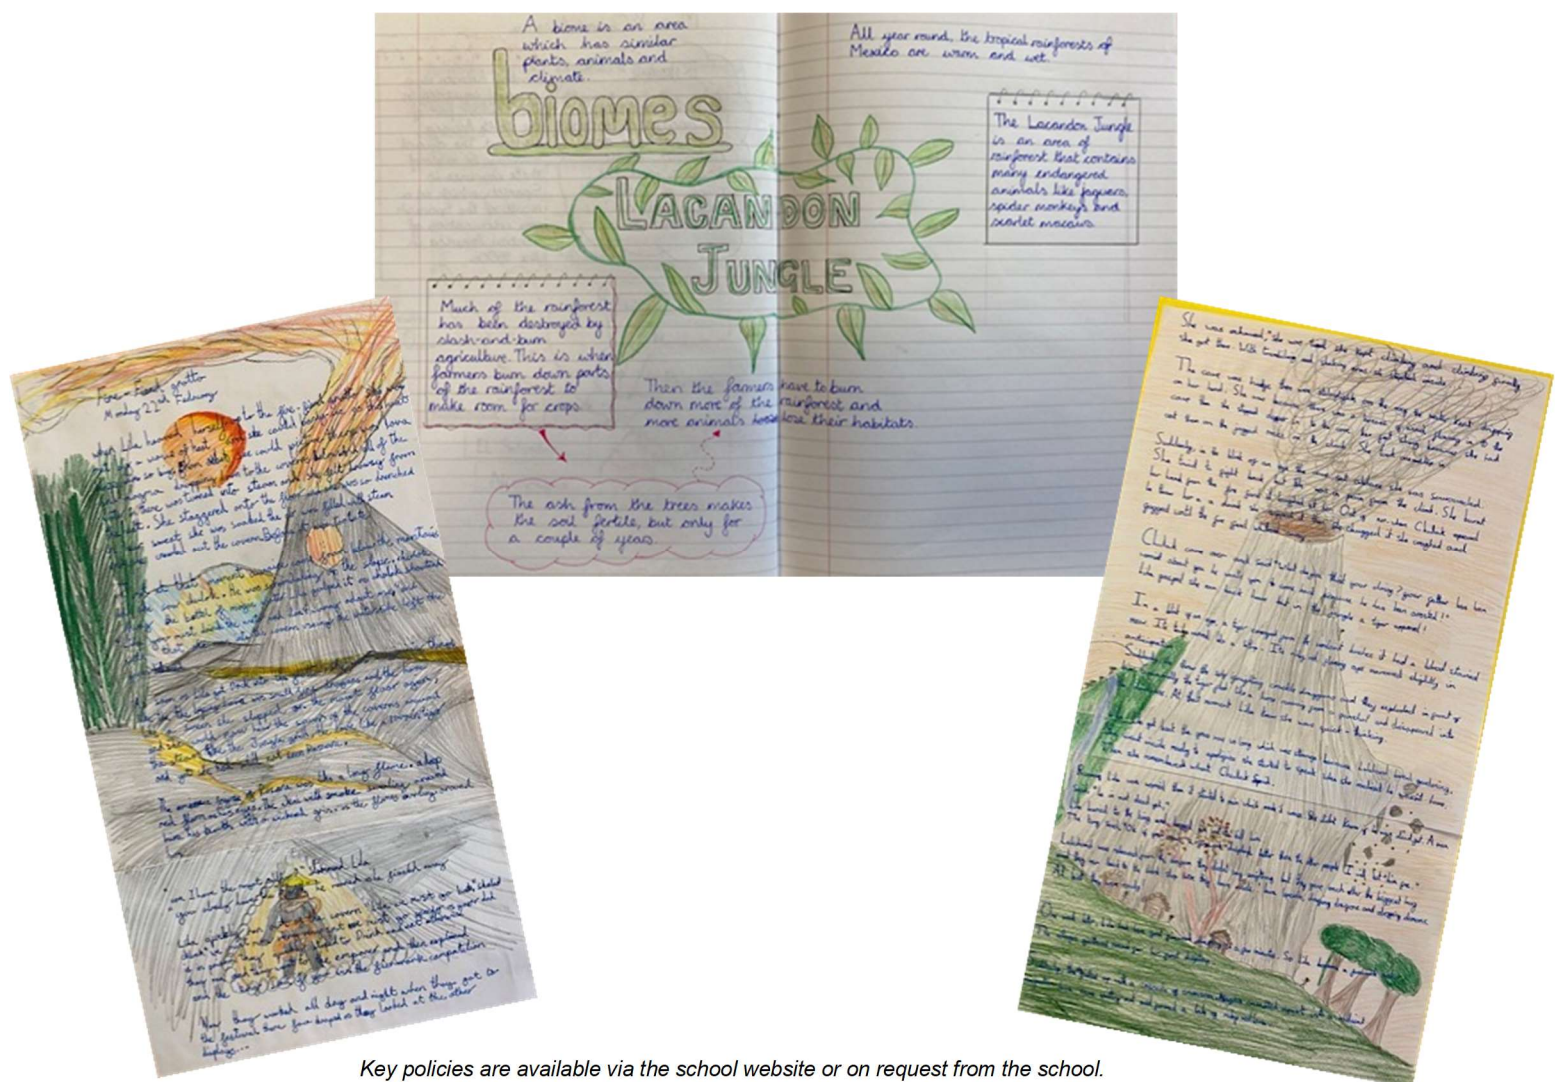

On Saturday 1<sup>st</sup> June and Sunday 2<sup>nd</sup> June, Wadhurst will be opening up local gardens again as part of the National UK Open Gardens Event and raising money for Carillon Cottage on Wadhurst High Street. Children can create a poster for the event and drop it in to the office. There are prizes to be won and the winning poster will be on display in Carillon Cottage. Deadline for poster submissions is Friday, 22<sup>nd</sup> March 2024. Please ensure you put your name and class on the back.

# YEAR 6

Children in Year 6 have been very busy writing alternative endings to Philip Pullman's novel *The Firework Maker's Daughter*. They have now published excerpts of these which they illustrated beautifully.

In Art lessons, children have been learning about William Morris and the Arts and Crafts Movement. They have drawn lilies and used watercolours to create their own designs inspired by his work.

In Geography, our focus has been Central America and Mexico. Children have started to make a poster about the biome of either the Chihuahuan Desert or the Lacandon Jungle.

# WORLD BOOK DAY

Children throughout the School had a wonderful time celebrating World Book Day. They read and recommended stories to one another, made bookmarks and designed book covers. They even wrote character profiles. The day was made even more special by the fantastic African Storyteller, Usifu Jalloh, who took the children on a magical journey in a peanut shell all around the world, finally arriving in Sierra Leone to visit his Grandmother who told us the story of a rich man and his beautiful daughter. The story was interactive and funny!

Thank you to everyone who came dressed up and donated money to Book Aid International. If you have not already donated, please send your £1 in on Monday for this very worthy cause.
