COLLECTION FOR DISADVANTAGED CHILDREN IN ZAMBIA

The Cardozo family is collecting black school shoes, still in serviceable condition, for disadvantaged children in Zambia. Felicity (Y5) has a cousin who lives on the outskirts of Lusaka with her husband and daughter. Together they provide care and support for poor and vulnerable children in the surrounding area. Felicity's cousin also runs a nursery to help prepare the little ones for school. There is so much need and we can guarantee that any donated shoes will make such a difference in enabling a child to go to school. If you have any unwanted Learning to Read or easy picture story books that would be wonderful too – along with any spare colouring pencils, felt pens, writing pencils and good biros! Everything will be put to good use and gratefully received.

Please could any donations be left in the school office by Friday 2nd February. They will be taken to Zambia by Felicity's big sister at half-term.

Thank you so much!

Another busy and exciting week at Sacred Heart School where learning is fun!

YEAR 1

In Maths we have learned all about place value, using a variety of resources such as bead strings, Base Ten equipment, hundred squares, place value arrow cards and coins. We explained the difference between the class bead bar and our rekenreks. We used these to learn to practise our number bonds so that we can apply them when working out calculations. We also had fun matching the addition pegs and number cards in the turf tray.

In Art we are learning about portraits and, as a starting point for our topic on Picasso, we started off by drawing self-portraits using mirrors. Will you recognise us when you next come into our classroom?

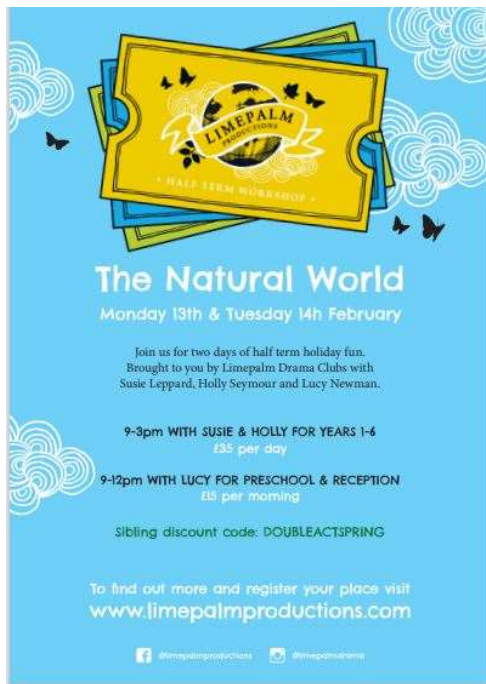

In RE we have been talking about the Presentation of Jesus in the Temple and how Simeon called Jesus 'The Light of the World'. We reflected on how we could let 'our little light shine' for our family and friends and wrote the messages in a candle template which we decorated beautifully.

YEAR 4

Children in Year 4 have been learning about the Anglo-Saxons this term. Working as 'History Detectives', the children looked at pictures of various Anglo-Saxon artefacts and tried to work out what they are, what they would have been used for and what they might tell us about Anglo-Saxon jobs. We had some very interesting ideas and we learnt that even small artefacts can give us an important insight into the lives of people who lived long ago.
