# CANDLEMAS ASSEMBLY

Boys and girls in Reception Class and Year 6 collaborated to present a wonderful assembly which explained to the whole school and visitors the significance of Candlemas which is also called 'The Presentation of the Lord'. They really enjoyed working together to create art and crafts as well as acting out the story from the Gospel of Luke. Their audience also learnt a great deal about the symbols of the season. Did you know that snow drops (often associated with Candlemas) are the first sign of the coming of Spring? They give us hope of lighter days ahead, just as Jesus leads us out of the darkness into His light.

## PARENT NOTICES

### COFFEE MORNINGS

As we live in a neurodiverse world, and having listened to our parent voices, we would like to set up a support group for any parent at the Sacred Heart School who either has a child with any diagnosis (this can range from Dyslexia to ASD to ADHD, Sensory Processing and anything in between) or feels that they may be on the beginning of a journey to understand some signs or symptoms in their child.

If you are a parent with a child who finds transitions hard or with a child who finds it difficult to emotionally regulate their feelings, please do come along to our next session on **Friday, 27<sup>th</sup> February 2026**.

### CATHOLIC LIFE - Addition to the Sacred Heart School website

As part of our work on updating our school website, you will now be able to read information about our weekly Celebration of the Word assemblies. Each week, the theme of our assembly is introduced on a Monday, and the children are asked to "Go Forth" reflecting on the message of the Gospel. Please follow the link to read more: [Celebration of the Word | Sacred Heart School](#).

Just a reminder that any parent is welcome to join our Celebration of the Word assembly on a Monday morning at 9am in the hall.

# YEAR 1

Children in Year 1 have enjoyed learning about Picasso in Art. After drawing our own portraits using a mirror, we had great fun using ModRoc to make Picasso style portraits. We liked feeling the wet ModRoc and moulding into the shape of a nose, eyes, mouth, eyebrows... We found out that painting the ModRoc takes A LOT of paint!

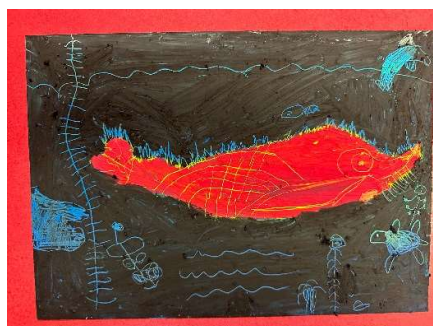

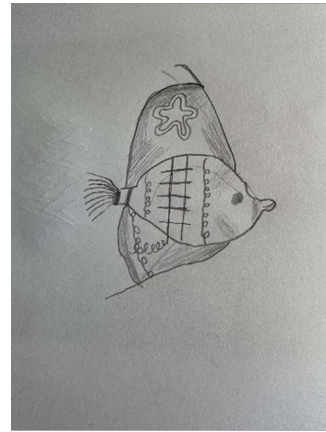

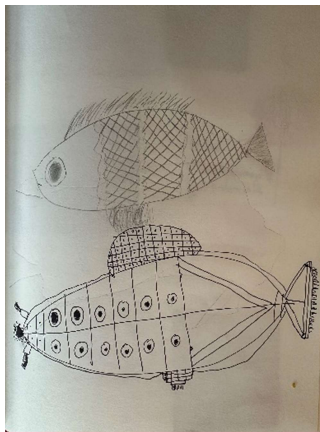

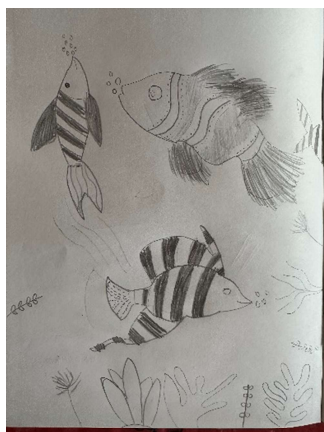

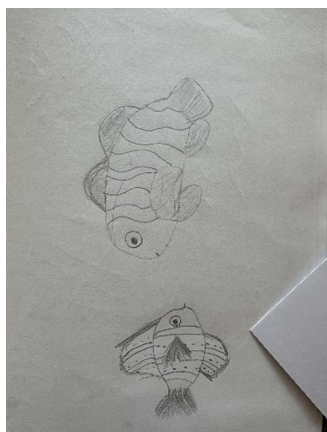

In Science, Materials are our focus and we have enjoyed finding the best material for Paddington's new hat and have explored which materials might be magnetic. We know that predictions are really 'clever guesses' and were pleased to find out that most of our guesses were accurate! We recorded the results and drew conclusions. We love doing experiments!

## YEAR 4

Children in Year 4 have been exploring the work of artist Paul Klee, with a special focus on his famous piece 'The Golden Fish'. Using layers of oil pastels and the sgraffito technique, children created beautifully detailed fish set against deep, dark ocean backgrounds. They carefully developed their own patterns and designs, producing some fantastic artwork ready for display.

## SAFEGUARDING
