

St. Clare's Catholic Primary School Newsletter

Friday 26th September 2025

St. Clare's is a Christ-centred family where everyone is valued and respected. We learn and grow, whilst strengthening our relationship with God and one another.

Together in His love, we can achieve our full potential.

Play, learn and grow together with Christ.

Mrs Wroblewski's Message

Dear Parents

I am writing this from a beautiful corner of the Lake District where I have the pleasure of accompanying the residential with Cherry Class pupils. The sun is shining, and everyone is having a great time. Although I could have done with slightly more sleep, it's a great privilege to be part of the joy and excitement here. Castlerigg is a very special place where the pupils are growing in independence, and deepening their relationships with each other and with God.

Back at school, Rowan Class have hosted our annual Macmillan Coffee morning today. Thank you for your generous support of this social opportunity which also helps a great charity.

Looking ahead to next week, our newly elected School Council Pupils will be promoting Fairtrade Fortnight and launching a very exciting Fairtrade Bake-off Competition. Watch this space!

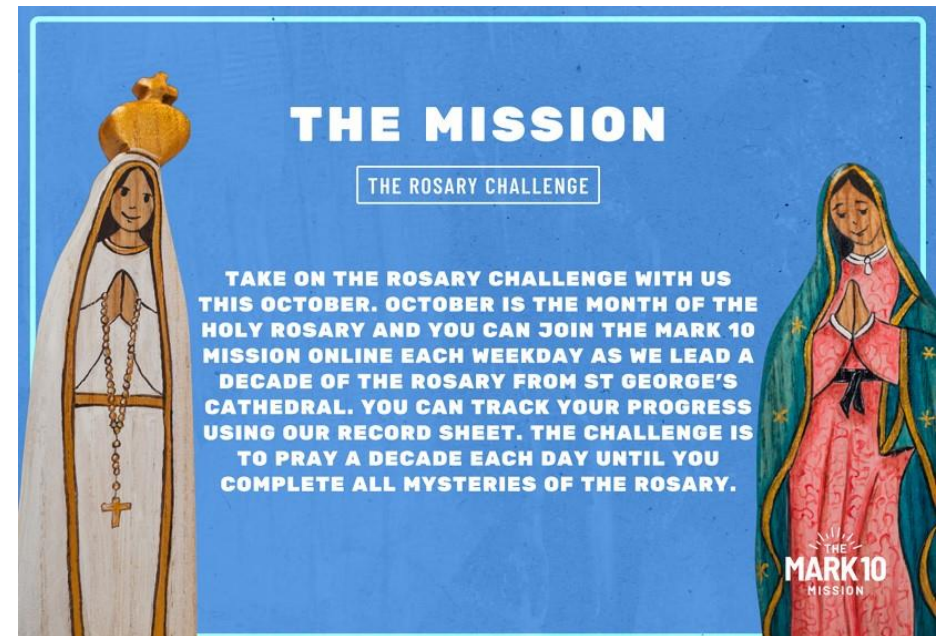

Have a wonderful weekend, whatever you are doing.

Mrs. Wroblewski

Faith

Here is our weekly mission - a small way of putting into practice the gospel values. We believe we are called to live our lives differently because of what we have experienced and prayed about. What we offer as the 'mission' is a suggestion of how we can all do just that.

Sports News

Last week, our Year 6 Multi Skills team did us proud by finishing 2nd in the Preston School Sports Multi Skills competition. They showed fantastic teamwork, determination and spirit throughout the event, a brilliant achievement!

Our hockey team have also been busy, playing two matches this week. The children displayed excellent teamwork and sportsmanship, and we're already looking forward to their final two games next week.

Location:
Zoom

This CPD workshop will help you to reflect on your relationship with maths, encourage open discussion about your feelings, remove barriers to improving numeracy, and will motivate you to take your next steps in your journey to unlocking more positive feelings about maths.

This 2-hour interactive workshop does not teach maths, it instead focuses on attitudes and looks at tips and resources to kick-start your confidence with numbers for the workplace.

Who is it for?

Adults whose own confidence with numbers is crucial to their job roles.
