All students in years 7-9 will study all sports highlighted in yellow during the academic year, those highlighted in blue will be studied in the half term stated by all students in the year group. The actual sport taught each term depends on the teacher and facilities available at the time.

In years 10 and 11 pupils will study one of the 2 sports named (green for girls and brown for boys). Over the two years of Yr10 and 11 all pupils will study the same sports.
