Uniform and Appearance Policy

At St Michael's we believe that school uniform plays an important part in establishing the ethos and high standards of the school in a number of ways:

- It encourages pupils to identify with the school and nurtures the notion of community
- It protects children from social pressures to dress in a particular way
- It supports discipline and our policy of 'choose excellent behaviour'
- It instils a sense of pride in the school
- It promotes more effective learning and teaching

The appearance of pupils is also an important factor at St Michael's in promoting good behaviour and ensuring the health and safety of pupils and staff.

Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010

- Clarify our expectations for school uniform

Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, St Michael's will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Consider adaptations to our policy on the grounds of religion or equality by asking pupils or their parents to get in touch with the child's Pupil Manager, who can answer questions about the policy and respond to any requests

Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Is of a high quality and provides the best value for money for parents/carers*

We will do this by:

- carefully considering items with distinctive characteristics
- limiting the amount of distinctive characteristics
- consider limiting distinctive characteristic items to low-cost or long-lasting items
- avoid specific requirements for items students could wear on non-school days, such as coats, bags and shoes
- In accordance with statutory guidance and legislation effective from 1 September 2026, the school requires no more than four compulsory branded uniform items (blazer, tie, school skirt or trousers, and the unisex PE t-shirt)
- avoiding different uniform requirements for different years and extra-curricular activities
- ensuring that second-hand uniform is available to be acquired at either the school or our uniform suppliers
- consulting with all stakeholders on any proposed significant changes to the uniform policy

* The issue of best value has been demonstrated by:

- Comparing our prices with those of other local schools.
- Ensuring the quality of uniform garments so that they wash well and maintain a good appearance over time. The school's preferred suppliers provides such items of uniform.
- Reviewing costings annually to maintain good value for money.
- The school will look at offering financial help for families in need.
- The school maintains arrangements for supplying second-hand uniform and will publish details of availability on the school website.

Expectations and Sanctions

The uniform and appearance policy is strictly enforced. Every opportunity will be given for pupils to conform to the uniform policy and rectify any identified issues.

Minor breaches of uniform or appearance will result in an appropriate sanction being applied. This sanction will be increased for persistent offenders and parents/carers will be asked to support their child in meeting the uniform and appearance code.

The school may ask a parent/carers if they are able to bring an item of uniform in so to rectify any breach of the uniform regulations. If this is not possible, the pupils may be required to continue their learning in the Personal Guidance Unit until such time as they conform to the policy.

Responses to uniform concerns will be proportionate, reasonable and in line with the school's behaviour policy. The school will work with families to remove barriers to compliance, including financial hardship, SEND, disability, religion or other protected characteristics.

Governors

The governing body will review this policy and ensure that it:

- Is appropriate for our school
