

June 2023

Dear Parents / Carers

Year 10 Information Evening

I would like to remind you that the Year 10 Information Evening will be held on Thursday 15 June at 6.30pm, however, there has been an amendment to the evening.

Due to refurbishments in the school hall, for health and safety reasons, we will no longer be able to hold this event in the planned venue, and so, Information Evening will now take place 'virtually.'

Parents / carers will receive a link via email on Thursday, at approx. 5pm, which will allow you to join and access the presentation.

The purpose of the evening is to keep you informed of the work your child will be doing throughout Years 10 and 11. We shall be giving you advice on how we feel you can help and support your son/daughter with their learning and wellbeing as well as explaining the new GCSE courses and how they will be assessed.

The support of parents and your role in 'Team St Michael's' is absolutely crucial in helping our young people to flourish and continue to grow in body, mind and spirit. An important part of the evening is therefore to cement the partnership between parents and school, and to share with you our expectations and some of the ways in which we rely on your continued support in the wider aspects of school life.

This evening is intended for parents / carers and is expected to last for approximately one hour. Pupils are welcome to watch should they wish.

We hope you will be able to attend this event 'virtually' with us.

Yours sincerely

Mrs J Jenks
Headteacher
