CHRISTMAS DIARY UPDATE

Due to the Covid pandemic this year, along with schools across the country, we will not be able to put on our usual infant Christmas Nativity production or have many of our usual events like the Christmas Fair. We are planning behind the scenes to provide alternative special Christmas events in school, all of which are Covid safe. We can't make it Christmas as it usually is so we'll make it as special as we can do

- **Off time table week based round Christmas art/craft & design** – we will be asking for a small contribution of £3 per child for this to help school fund the resources needed for this, which is on Parent Pay now.
- **The children are be making Christmas cards** to send to our older generation in the community in collaboration with church.

- **A Covid secure theatre company** are coming in to perform the dramatised version of the classic poem 'The Night Before Christmas' on Tuesday 8th December. Each class bubble will watch a separate performance in the hall. £2 voluntary donation for this event is now payable on ParentPay.
- **Christmas party day and Christmas lunch Wednesday 16th December** (£2.30 for KS2) will still take place in their class bubbles- (party clothes all day) and we are still hoping that the big man will be able to make a visit to school that day – social distancing will apply even to Santa!
- **Christmas jumper day** will take place as usual on the same day as the FOSS sponsored Christmas Wake Up Shake Up event in school and the raffle draw.
- **Christmas cards** - The last date for bringing cards into school will be Friday 11th December.
- **Whole School Christmas Dance! Monday 7th December** - We will be producing and recording the special whole school Christmas dance number using Kylie's latest song 'magic'. The children will need to bring their change of clothes in a bag on Monday.
