

## FRIDAY EMAIL UPDATE – 16<sup>th</sup> October 2020

Dear parents/carers,

### FOSS Update

Our usual autumn Infant film night will be on the final Friday of this half term - Friday 23rd October - and will run straight after school until around 5pm. Arrangements are in place to ensure that everything is Covid safe and school staff will be supervising the children to maintain the bubble. Thank you to Miss Wallace who will be staying at school late that evening to support this event along with myself, and thank you to FOSS for doing extra work so that we can still provide our usual FOSS activities but in a Covid safe way.

Details for this will be coming out on Monday next week of the 'Smarties' fundraiser, which will be running over half term.

### Questionnaires

If you have not returned your parent questionnaires yet, there is still time. These questionnaires are extremely helpful to us, as we love to know your thoughts and feelings about school.

Have a lovely and peaceful weekend.

Best wishes,

Lucy Sutton
