PARENT GOVERNOR VACANCY

Preetesh Dave's 4-year term is coming to an end at the start of June so there is a vacancy for a Parent Governor. A huge thank you to Preetesh for his contribution to the Governing Board.

Today, your child will have brought home information regarding the election process. Being a parent governor is a really important role as well as being very rewarding. If you would like any further information regarding being a parent governor, please do contact either of our Co-Chairs of Governors, or myself, via school and we'd be happy to discuss it with you further.

RSE (Relationship and Sex Education)

After half term, during PSHE lessons for the Infants and Year 3/4, RSE content will be taught as part of our PSHE lessons. This week, letters outlining what the content of these lessons are have been sent out so that parents/carers have time to review the content and ask questions you might have. If after reading the content, you would like to discuss the content further please contact the relevant teacher. Thank you.

ONLINE SAFETY INFORMATION FOR PARENTS

At least once a month there will be a new Online Safety Guide for Parents – these fantastic resources are produced by the National Online Safety Hub. The link below will take you to our Online Safety page on the school website which also has other links to support you in keeping your child safe online.

FOSS SCHOOL CELEBRATION TEA TOWELS!

FOSS have got the perfect gift for you to buy for family or to save for Christmas presents. Every child in school, and staff too, have drawn their own face which will appear on our school tea towel. This is a fantastic memory to have to look back on in the future and perfect for grandparents!

They will be just £6 each or two for £10. FOSS will let us know as soon as they are in school and can be purchased which should be early May.

YOUR LIBRARY NEEDS YOU!

Since September we have been working hard to get our school library in good order after less attention during Covid. Along this journey we have had to say goodbye to books which have been so popular they have started to fall apart. We are asking for a little help to try and replace some of these. Replacing and refreshing books can be costly so we are starting a wish list, books can be second hand if they are in good condition or even picked up in charity shops! If you have any of the titles below that are no longer needed at home or you spot one in good condition, we would gratefully receive them. A big thank you to Sam Metcalfe who has come into school

every Monday to work on our library!

Attached to the newsletter is the list of books we're looking for at the moment. Thank you.
