NEWSLETTER Monday 9th May 2022

It's a short one this week!

First of all, thank you to the whole school community for the support and encouragement school received during our Ofsted inspection last week – it was very much appreciated. Our Ofsted report will not be published for around three weeks as it has to go through a quality control check but it will be shared with parents and governors before being published on the Ofsted website.

Everyone enabled school to shine, to show off what we do so well every day, day in and day out. The children were an absolute credit and the inspectors were very impressed by their 'impeccable' behaviour. We look forward to sharing the report with you.

JUBILEE CELEBRATION DAY – FRIDAY 27TH MAY

This day will be all about her Majesty Queen Elizabeth II. It will be a **non-uniform day when everyone can wear either red, white or blue**, dress as a queen or any English monarch from the past. During the day, each class will be creating portraits of The Queen in the style of different artists, which will be displayed at the Memorial Hall Jubilee celebration which is on during half term. Lunch will be a special jubilee picnic. The children will also be learning about the reign of the queen then finishing the day off with an afternoon tea and singing the national anthem.

If you are able to bake cakes/biscuits we'd appreciate donations of cakes for the afternoon tea – if they are queen/monarchy/Union Jack related even better!! All donations can be dropped off on Friday morning please.

ACTIVE TRAVEL PUPIL TRAINING SESSIONS

As part of ensuring our children have the bike/scooter skills they need, over the summer term we have arranged a program of training sessions across school. Letters for year 5/6 Bikeability training with full information will be sent out before the sessions begin – bikes and helmets will be needed for these sessions for children to take part.

There are also Tots on Tyres sessions for our reception children (all kit is provided) as well as Scoot Safe for year 3/4 – children will need a scooter and a helmet – if they haven't got one then they will be able to take part but share with another child but ideally we'd like all children to have their own scooter for the session. Dates for these are below and on the school calendar.

PUPIL ACHIEVEMENTS - If your child has an achievement they would like to share and celebrate with everyone in school, we'd love to include it in the Friday Update!

Last Sunday, Maisie, Delilah and Izzy completed Climb the Mine in Honister in Wales – they supported each other brilliantly climbing at huge heights and in dark mines. What a fab achievement – well done girls!

A massive well done to Jude – he was awarded man of the match last week at football - he played in goal and even scored a goal off a goal kick!
