Church of England School

## Pupil Premium Grant – Detailed Allocation of Funding 2019-2020

Summary Information					
<b>Academic Year</b>	2019-2020	<b>Total PP budget</b>	£8860	<b>Date of most recent PP review</b>	April 2019
<b>Total number of pupils</b>	68	<b>Number of pupils eligible for PP</b>	6	<b>Date of next internal review of this strategy</b>	March 2020
<p>The school is in a rural location, just outside of the urban heart of Preston city with an intake from a wide area as well as the local Samlesbury area. Pupil premium funding is used to support pupils who have met the 'disadvantaged pupil' eligibility criteria now or in the past 6 years with the intention of narrowing the gap between disadvantaged pupils and those who are not. Maintaining a sustained ratio of teaching assistants across school class enables effective intervention for phonics, reading, writing and mathematics. Improving access to high tech resources, subsidising visits in and out of school including residential visits and providing resources for small nurture groups have all impacted positively on pupil attainment and achievement.</p> <p>Data analysis:            At the end of the academic year July 2018, 83% of our PP children had made at least the expected progress over the year. Due to the very small numbers of children in school it is not appropriate to look at data per year group – as a school we very much look at the individual child and their attainment and progress.            At the end of KS2 100% of PP pupils made the expected progress.</p>					

Identified Barriers to Learning		
Barrier	Provision	Impact/Comment
Low expectations, motivation, ambition, low self esteem	Reward systems, praise assemblies, inspirational visitors to school e.g. Paralympian, reward events, TTRS badges, Stars of the Week, HT Awards, Team Points, friendship nurture groups etc..	Individual reward systems in place for targeted children if required Friendship groups beneficial in creating strong, supportive friendships.
Financial barriers to accessing additional opportunities	Provide financial support (refer to charging policy) for PP children so that they can access all wider enrichment opportunities.	Develops confidence and self esteem which impacts general confidence to all of school activities.
Gaps in learning/development from the early years	Additional one to one TA support to ensure time and expertise is provided to close these gaps. E.g	Impacted all abilities of children so that all pupils from GAT to SEND pupils can make expected progress

one to one phonics/reading/maths/Talk for Writing/emotional support groups

<b>Actions Pupil Premium Apr 19 – Mar 20 £8860</b>	<b>Key Personnel</b>	<b>Others Involved</b>	<b>Funding/Cost £</b>	<b>Success Criteria</b>	<b>Review/progress/Impact</b>	<b>Monitoring and Impact</b>
