

22<sup>nd</sup> July 2020

Dear Parent/Carer

I hope that this letter finds you safe and well. I am writing to you regarding your child's GCSE Art materials for the upcoming academic year.

To enable the Art & Design Department to continue to provide a wide variety of opportunities for students to produce high quality outcomes, we would like to ask for a voluntary annual contribution towards the rising cost of materials used by students in KS4/5. As teachers, we find that by providing high quality materials and a range of different products to work with it really enhances the development of student's work and the progress they make, which all builds on their experience and interest in Art.

To enable the Department to continue providing high quality materials for students to use, we would like to ask parents to make a voluntary annual contribution of **£10** towards the cost of materials, a hardback sketchbook per student and a plastic folder for the GCSE and A Level courses.

Payments can be made online via Wisepay which can be accessed via the school website. Should you need any support contributing towards the cost of these materials, please contact Donna Barnes at the Academy who would be happy to assist you with an Opportunity Trust application. ([dbarnes@tscacademy.org.uk](mailto:dbarnes@tscacademy.org.uk))

We would kindly ask that all payments be made by Friday 11<sup>th</sup> September 2020. Thank you for your support and co-operation.

Yours faithfully

Mrs Laura Jones  
Acting Team Leader of Art
