

Coronavirus Update 15th June 2020

Today we have published an update that affects year 10 students. You can find the letter and updated behaviour policy information via the following link:

<https://www.samworthchurchacademy.co.uk/letters>

We look forward to seeing more of our students next week. Parents and carers have also been sent a text message this morning which explains the day their child is invited in for and which group. This will remain the same until the end of the summer term.

This follows on from our extended provision for year 12 which started today and is going really well. We have been busy over the past few weeks making plans and preparations for more students to return, in addition to the groups of students we already have working in school. Please see previous information below if you feel your child falls in the key worker category and if you would like further information please contact Sally at sspencer@tscacademy.org.uk.

We will continue to provide quality resources and provision online through Show my Homework for those children who are not yet able to return. If you have any concerns or questions in the meantime please feel free to contact us in the usual way or email us at enquiries@tscacademy.org.uk.
