

Dance Y9

Dance in Period 6 gives students the opportunity to learn and develop techniques in all styles from Jazz & Ballet, to Hip Hop & African and Rock n Roll.

You will learn about the history, techniques, performance, skills and choreography. All of the subject knowledge gained in Period 6 Dance is transferrable to GCSE Dance, so if you've got that in your mind as a subject you'd like to take, this activity would be a great starting point!

PE kit is essential.
