

Next year, my timetable will look different to my current timetable.

My school will open at 8am and there will be breakfast available to all students.

At 8:30-9:00, what I do will depend on the day. My timetable will tell me what I am doing that day. An assembly is where I will find out important information from my year group team and they will let me know about any upcoming changes.

At 11:00, I will go to my tutor. I will find out my tutor group in September.

When I come back to school in September, I will find out my full timetable and what lessons I will have. These will make up the times where it says 'period'. At these times I will attend my lessons.

At 11:15, I will have a break where I can catch up with friends and have a snack from home or buy one from the lunch hall.

Lunch will start at 1pm and will be in the middle of my period 4 lesson. Lunch will last 30 minutes. After Lunch, I will go back and finish my lesson.

This will be my new school day and I will follow the same timetable all year.
