

17th March 2025

Dear Parent/Carer

As you are aware the academy has a number of Disabled Parking bays for those who have blue badges or parking permits to ease the dropping off/picking up of students. Could we please ask that for the safety of all our students, any visitors to the academy do not park in or around the disabled bays at any time. All disabled spaces are reserved and in constant use throughout the day by those who have permissions to use them.

Thank you for your continued support and for helping us make our academy safe and accessible for all who visit.

Your faithfully
