

Enrichment options

Alongside a student's programme of study, they are required to select one additional course to gain experience and valuable knowledge which can be utilised towards future aspirations and on CV's and personal statements. Some courses also carry UCAS points and therefore can also provide a boost in points for university applications. Students who need to resit English and/or Maths are exempt.

Option	Information	UCAS points	Hours per week	Qualification
Core Maths	Core Maths is intended for those who have passed GCSE at Level 4 or above but have not chosen to study A level Maths. Helps students' problem solve using Mathematics.	Yes	2	Equivalent of 1 AS Level
