

18th November 2020

Dear Parent/ Carer,

As you are aware, since September we have been operating a year group 'bubble' system, with different start and finish times and different learning zones allocated to different year groups in order to keep everyone safe and prevent the spread of Covid-19.

Each day begins with a briefing led by a member of the Executive Team, where key messages are shared with the students including any specific messages for that year group.

This system has proved very successful and we have decided to add in an extra layer of support by assigning a Learning Manager to each year group instead of them being attached to a school (e.g. Hardwick, Welbeck etc.).

This system will operate from Monday 23rd November and the staff leading are as follows;

Year Group	Executive Lead	Learning Manager
Year 7	Mrs Maria Fletcher	Ms Katie Hawkesley
Year 8	Mr Carl Bennett	Ms Ashleigh Taylor
Year 9	Mr David Broomhead	Mrs Cathrine Severn
Year 10	Mr Ian James	Ms Louise Bailey
Year 11	Mr Chris Vallance	Mrs Mandy Reeks

Where possible, the members of staff leading each year group will be based in the same learning zone as their year group.

We would like to reassure all of our families that a full and detailed handover of information has taken place with the move from schools to year groups. All staff at the Academy are determined to maintain their tireless efforts in ensuring your child continues to thrive during these testing times in providing a high level of education and quality of care. Kindly note this does not affect the current Sixth Form arrangement.

If you have any queries or concerns, please do not hesitate to get in touch via our website enquiries email address: enquiries@tscacademy.org.uk

Best wishes and stay safe,

Maria Fletcher
Team Director of Support
