**FREE- Course For Adults—Introduction to I.T & E-Safety at @Sandylands Venue**

Lancaster & Morecambe college are running a free workshop designed for adults over 19 with little or no experience of using digital devices or the internet.

They aim to support you to develop the digital skills needed for life, work or further study, whether that's communicating to loved ones or making sure you're safe doing online shopping or banking.

Mondays, 1-3pm - 21st February 2022 for 10 weeks

at Sandylands Community Hub (The Venue), Balmoral Road, Morecambe.

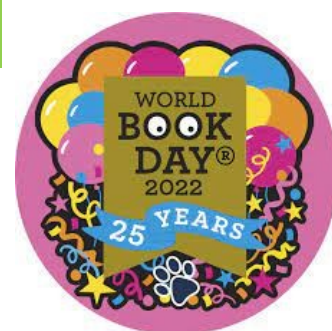

For more information of how to join see attached leaflet below.

## World Book Day Thursday 3rd February

To celebrate World Book day on the 3rd March, we have arranged a number of different fun activities for the children to take part in. Come dressed as your favorite book character of your choice.

## University Democracy Workshop

Year 5 & 6 had a very informative day at Lancaster University this week looking at democracy and what it means to them. They took part in a debate about the banning plastics – for and against as well as finding out about university life. The children had a tour of the campus and some children even got the chance to enter some of the engineering labs and see 3D printers and robots in action.

## Dates for the Diary

3rd March 22

World Book Day

Yr. 6 Fire Safety talks

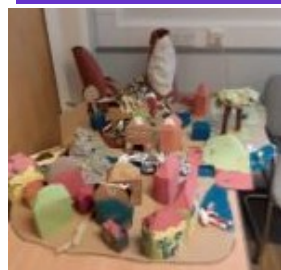

14th March 22
