## CORONATION SPECIAL

Wk. beg. 15th May 23

Next holiday– After school Fri 26th May

## *A Right Royal Do At Sandylands*

What a day! We all really enjoyed our Coronation day last Friday. The children took part in Teddy Bear picnics, street parties and so much more! All the children were comparing the 1953 Coronation with the 2023 one and took part in magic shows, circus skills and 1950s Rock 'n Roll dancing. The open top bus was a real hit with both the children and the public as they travelled along the prom to the Eric Morecambe statue.

### Magic Show

As part of the Right Royal Do, Year 1 and 2 enjoyed a magic show. It was great fun from magician Steve. Even Miss Kilifin was the magicians assistant

### Rock around the clock

Some of the Year 6 children were definitely rocking around the Coronation clock in their dance workshops. We' all had a blast ! The Sandylands children, as usual, were all amazing - a special thank you to all of them.

### Woodland Area

We had an exciting time in Nursery when we had a delivery of bark to cover the floor of our woodland area. After watching the delivery truck lift the bark over we then worked together to spread out the bark.

### Parent Governor –Run for books

What a great start! Helen Longworth, our parent Governor, is running through May to raise money to help stock our new school library with some wonderful books. If you could spare a few pounds to support her, click on the link below. Go for it Helen - thank you from all at Sandylands.

## Free Positive Parenting Programme - Triple P

- Promoting a positive, caring relationship between you and your child.
- Empowering you as a parent/carer to choose the skills and values you wish to promote in your child and help them develop skills they need to tackle everyday situations.
- For primary school children age 2 – 10.

### WHAT IS TRIPLE P?

A broad-based parenting intervention delivered by the Child and Family Wellbeing Service over seven weeks. The program involves five two hour group sessions and two phone consultations to assist with independent problem solving while they are practicing the skills at home. Parents actively participate in a range of exercises to learn about the causes of child behavior problems, setting specific goals, and using strategies to promote child development, manage misbehaviour and plan for high-risk situations.

### WHO IS IT FOR?

Parents or caregivers interested in promoting their child's development and potential or they may have concerns about their child's behavioral problems or simply wish to prevent behavior problems from developing.

For more information or to book a place, please contact Sandylands' Family Team.
