*Our Sandylands' Sustainable Uniform Shop was very popular! We are requesting for any pre-loved uniform in good condition to be donated to help re-stock our supplies. We'd be very grateful if you could bring your donations into school. Thank you.*

## Parking Safety

We take the safety of our children very seriously. We hope you have noticed our 'Don't Park Here!' signs on the zigzag lines outside school. Please be careful during dropping off/picking up children and keep residents driveways clear.

## Coffee & Chat Drop-in

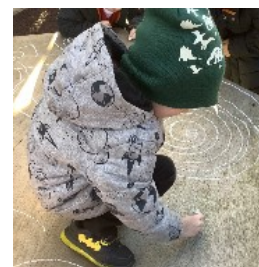

Do you have concerns about your child's... sleeping, eating, behaviour, mental health?

Do you have queries around housing, benefits, community support?

Pop in for a coffee/tea & biscuit and chat with Sandylands Family Support Team. Supported by a range of agencies including School Nurses team, Family Wellbeing, Lancaster City Council, Police-PCSO, Green Rose and Barnardos. See below flyer for my information.

## Spirals!

In Art, we have been learning about different types of spirals. We have completed some as a small scale piece and some in the style of artist Molly Haslund, as a large scale piece in our outdoor area.

## Were going on a Bear Hunt

Nursery had lots of fun going on a bear hunt. They found bears around their gardens, and we went on a journey through the different parts of the story experiencing the river, snow storm, wavy grass and the forest to find the bear cave.

## Funky Fingers

Nursery have had lots of fun exploring different activities to strengthen our fingers ready for writing.

## Free Positive Parenting Programme - Triple P

- Promoting a positive, caring relationship between you and your child.
- Empowering you as a parent/carer to choose the skills and values you wish to promote in your child and help them develop skills they need to tackle everyday situations.
- For primary school children age 2 – 10.

### WHAT IS TRIPLE P?

A broad-based parenting intervention delivered by the Child and Family Wellbeing Service over seven weeks. The program involves five two hour group sessions and two phone consultations to assist with independent problem solving while they are practicing the skills at home. Parents actively participate in a range of exercises to learn about the causes of child behavior problems, setting specific goals, and using strategies to promote child development, manage misbehaviour and plan for high-risk situations.

### WHO IS IT FOR?

Parents or caregivers interested in promoting their child's development and potential or they may have concerns about their child's behavioral problems or simply wish to prevent behavior problems from developing.

For more information or to book a place, please contact Sandylands' Family Team.

Green Rose is a community interest company working in the Morecambe area helping local households to stay warm and well and make their homes more energy efficient through a mixture of advice, support, and education. We provide a number of free services, including home visits, a freephone advice line, community advice surgeries, workshops and training sessions for members of the public. We have recently partnered with West End Morecambe Big Local to make our advice and support more accessible to communities in the West End. We provide visits, a freephone advice line, community advice surgeries, workshops and training sessions for members of the public.

We are now working in the West End at Stanleys Community Centre drop in on Tuesdays 1-3pm where you can come along for free energy advice, referral for home visits and support managing your bills. We will announce locations and times of more drop ins in the next few weeks.

Pop in for a chat  
or call on 0800 702 2528 for free energy advice
