Next holiday— After school 27th May 2022

Wk beg. 30.05.22

Afterschool clubs

Afterschool clubs will resume w/c 13th June.

The next Teamtheme afterschool club will start Monday 13th June.

Teamtheme letters have been sent home so if you would like your child to join the club please fill in the form and return to school with payment by Thursday 9th June.

Activ8 is on afterschool 27th May and will resume Friday 10th June.

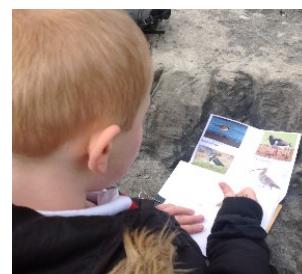

Positive Footprints-Raising Aspirations

Y6 attended an online Career Conversation with Emma King. She told us about the application process to become an astronaut at the European Space Agency. We learned she did not know her times tables at Primary school, which gave us all hope!

Exploring Our Coastal Habitat

Year 2 were joined by a whole host of experts from Lancaster University, Local Bird Watching group and RSPB and Wildlife Trust and local Eden Project. We wanted to learn about our local area and in particular the coastal habitat. We learnt a range of local bird calls and then explored the local area to find wildlife. We not only explored by going into the habitats, but we used binoculars, and specialist sound equipment to listen to birds we wouldn't be able to reach. We also incorporated observational drawing of the local wildlife and took this back to school to create an interactive print for our exhibition. We used conductive ink to create a print of local birds, which you could press and you could hear the bird call.

NSPCC Big Breaktime Challenge Friday 10th June

Dear Parents and Carers, Sandylands are delighted to be supporting the NSPCC by taking part in The Big Breaktime this Childhood Day on 10th June.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services like Childline, which is always there for children and young people, whatever their worry.

Our Big Breaktime

During The Big Breaktime we will

- Invite children to come dressed up as their favourite childhood character
- Take part in an assembly on fundraising
- Play a range of board and paper games in the classroom
- Learn some new playground games alongside Team Theme
- Take part in Ant and Dec's Propa Happy playtime Fundraising

We ask that children bring a donation of £1 to support NSPCC's Childhood Day - It all adds up -Thank you

The Wildlife Trust for Lancashire, Manchester & North Merseyside

Heysham Nature Reserve on Saturday 28th May at 10 am till 1 pm. We are working alongside the Lost Sounds project from Lancaster University to explore the reserve's wildlife sounds. To help us identify wildlife, the North Lancashire Wildlife Group will join us to find the noisiest insects along with local birds.

With these sights and sounds we will then draw an insect or bird, turning it into interactive print which will be displayed along with their accompanying sounds. This event is suitable for ages 5+ and all materials are provided. Booking is required. Follow the link for all details and how to book <https://www.lancswt.org.uk/events/2022-05-28-sounds-nature->

Wildlife Drawing at Half Moon Bay

Location: Half Moon Bay, Heysham, Lancashire, LA3 2QH

This website uses cookies to improve your experience

[Okay, got it](#) [No thanks](#) [Accessibility](#)

Wildlife Drawing at Half Moon Bay on Monday 30th May at 1.30 - 3 pm. Why not join us for another relaxed introduction to drawing wildlife this half term holiday. Drawing is something we should really do every day, but we probably don't and like most things, if we did it more often, we would just get better and more confident. All materials are provided and all you will have to do is bring along a folding seat just in case you would like a little more comfort. All information and how to book is found via <https://www.lancswt.org.uk/events/2022-05-30-wildlife-drawing-half-moon-bay>
