

Hub 2 Class Newsletter

Autumn 2025

Welcome Back

Hello everyone, we hope you have had a great summer.

Hub 2 have returned to school settled and are getting back into daily routines very quickly. We have a range of exciting lessons planned this term with new units of work that ensure we cover a range of different subject areas.

Trips are up and running and pupils can look forward to going out into the community for some shopping and café visits. If your child is due to go out on a school trip we will let you know by writing in home school books and sending texts home.

The class team are Teacher - Joy
Teaching Assistants - Claire, Harriet, Cathy, Carmel
Ancillary support Ashley

If you have any queries, please do not hesitate to contact us via the school office or joy.haines@saxon.set.org

We will ensure that we upload photos and comments onto the Evidence for Learning app so that you can see what your child has been learning each week. We love to see your messages and photos too.

Our Anchor this term will be 'My Future'. Please share your news and what you have been up to with us so we can include this during our daily communication sessions.

Sensory Integration

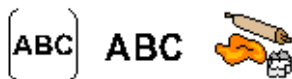

Pupils will engage in sensory diets every morning in the hall to support their regulation needs.

Pupils in Hub 2 will be able to access our classroom sensory integration area throughout the day as and when needed and in addition to this can visit the sensory integration room.

Students will also be supported to engage in 'What's in the box and attention Autism sessions daily. These sessions involve provoking curiosity whilst building listening and attention skills.

English

English

Hub 2 literacy focus will be Gothic Fiction. We will focus on the text of the story Coraline. In addition to this pupils will also be able to engage with other pieces of literature with a gothic theme.

Pupils will engage with early reading and writing skills and Write Dance .

Pupils will continue to enjoy reading for pleasure everyday and will choose a book to enjoy together. There will be opportunity to go to the library to choose reading books and be able to enjoy a story whilst they are there.

Pupils will also be able to access different ways to enjoy reading through, interactive boards, audio books, watching and listening to signed BSL stories

Maths

Maths

Children will be learning about technology around us. How they use money and practicing number recognition. Some pupils will continue with learning about money and Length. This will be promoted through creative sessions and roleplay.

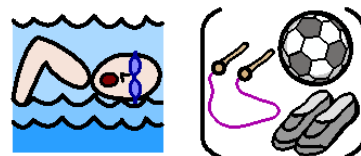

We will learn about time throughout the year linking to special events and daily routines.

Pupils will be able to engage in learning maths through interactive games and turn taking.

Forest school, hydro, PE & rebound

We will have the use of Rebound and Hydrotherapy on Fridays on a rota basis.

Forest School lessons will be weekly planned by class weather permitting. **Please ensure that your child has suitable clothing and footwear for this session—warm layers, wellies, waterproof coat, waterproof trousers etc.**

Weather

Please be aware that the weather is changeable at this time of year and can become wet. Please ensure your child has water proofs a coat or extra layers in school for the colder/ wet weather. We try to continue taking pupils outside for play at break and lunch time, weather permitting and they will have access to the outdoor continuous provision attached to class.

Learning Challenge

Our Learning Challenge this half term will be to learn about ourselves and how we are developing interests.

Students will learn about safety and who can help us in PSHE. All Students will be developing communication skills through signing, symbols, switches, verbal communication and ICT .

We will be continuing to focus key symbols and signs such as Yes, No, More and Finish. We will continue to use symbols for making choices at snack and lunch times and during our learning.
