

Beech Class

Autumn term 2026

Welcome to the Autumn Term in Beech Class. We are looking forward to all the fabulous activities over the year ahead and to working with you all. This half term we will be focusing on returning to school, building confidence, independence and routines as we settle back into the routines of school.

If you have any worries or questions about anything at all, please get in touch either via the school office, home/school books or email:
Lorraine.woodhouse@saxon.set.org

Lorraine

Sassi

Sarah

Charlotte

Above are the staff in Beech class. We also have music Matthew every Thursday and Laura joining us every other Thursday.

Topic

This half-term, our topic is "All about my identity and yours". During this topic we will explore a variety of activities focused on learning about ourselves, our local environment and all about those around us.

Communication, Language and Literacy

This term we will be learning all about the story “The Chronicles of Narnia”. Through sensory stories and sensory massage, we will be exploring and comparing the books to the film. We will focus on scenes from the story to engage, anticipate and make choices.

Independence and Wellbeing

In our PHSE lessons our main focus is choosing which physical activities we like the most. We will also be enjoying Sensory cooking and building independence throughout the school day.

Rebound and Hydrotherapy

Rebound and Hydrotherapy will be taking part every week on a Thursday. Due to the number of students, these activities will be taking part on a rota basis.

Sensory activities

This half term Beech class will be taking part in lots of different therapy activities which we will use to explore the world around us, build independence and make choices. These will include activities such as “Whats in the box?”, Dance massage, Resonance boards and cause and effect using the projector.

In PE our focus is My body, my movement. During these lessons we will split into 2 groups. Half of the group will be joining Hub 1 to take part in body awareness activities, and the other half will be in the hall enjoyed Yoga!

In Art our topic is Self portraits! Using different media and materials we will be making fabulous self portraits that we cannot wait to show you!
