**BREAKING  
NEWS**

We are delighted to announce that Steve Baker has been successfully appointed as Head of Care on a one-year secondment, following the retirement of Kim after an incredible 33 years of dedicated service to Saxon Hill. Kim's unwavering commitment and care have left a lasting legacy, and she will be deeply missed by pupils, families, and colleagues alike. As we say goodbye and wish Kim a happy and well-deserved retirement, we also warmly congratulate Steve on his new role. We are excited for the energy, passion, and fresh perspective he will bring to the team as we continue to provide outstanding care and support for our pupils

# Circus Starr

*the circus with a purpose.*

Every child deserves a little magic  
Circus Starr brings thrills and excitement to all,  
creating an event where everyone's included  
and memories are made.

We believe in a world where anything is possible. We understand that attending mainstream events can be difficult for children with additional needs or families in difficult circumstances which is why we've created a tut-free zone; a show in which shouting out, dancing and jumping up and down are expected. At our circus, everyone is absolutely encouraged to let go of their worries, get involved, and be themselves.
