

# WEEKLY Bulletin Board

We have received the results of our Ofsted inspection in November 2025

Wellbeing is a priority. The school has strengthened access to mental health provision and has introduced a mentoring programme. This support pupils' emotional needs well.

*The curriculum is ambitious and carefully designed to meet the needs of every pupil.*

*Pupils make substantial progress through the curriculum pathways because learning is highly personalised. Younger pupils master essential skills such as feeding themselves, walking unaided or using assistive technology confidently.*
