The latest Ofsted report for our Sleepover Club is available on our website.

**We would like to clarify our approach to monitoring pupils who appear unwell during the school day. School staff will not be taking pupils' temperatures with a thermometer. Instead, if a child seems unwell and feels hot to touch (e.g., on their forehead, back, or chest), we will contact parents/carers to inform them of our concerns. If we believe your child is too unwell to remain in school, we will ask that they be collected. As always, our priority is the health and well-being of all pupils, and we appreciate your support.**
