Autumn - September 2026

Welcome back!

Hello, and welcome back after the Summer break! We hope that you had an amazing holiday with plenty of beautiful sunshine and are ready to settle back into the school routine. The class team have been busy planning some wonderful activities for your young pupil to engage with over the coming weeks and we couldn't be more excited.

We will be using the home school diaries for important messages and updates - please check these daily. We will also let you know about what your child has been learning in school by uploading photos onto the Evidence for Learning app each week. It's a great opportunity for you to see more of what your child does in school and we always love to read your comments! If you need any help with accessing evidence for learning, please let us know.

If you have any queries, please do not hesitate to contact us via the school office, your child's home school diary or email Sarah (class teacher): sarah.garbett@saxon.set.org

Pupils will be supported this academic year by Eve Bryan (Mon, Fri) and Sarah Garbett (Tues, Wed, Thurs).

Thank you for your continued support,
