

Maple Class

Autumn Term 2026

Welcome to a brand new school year in Maple Class!

If you have any worries or questions or want to share anything about your child with the class team, please get in touch via the school office, home/school diaries or email:

alison.taylor@saxon.set.org

laura.wilkins@saxon.set.org

Alison

Laura

Ruby

Louise

Max

A big hello from all of the staff working in Maple Class this year!

Our Week

Alison will be in school on Mondays, Tuesdays, Wednesdays and alternate Thursdays.

Laura will be leading the class on alternate Thursdays and every Friday.

Ruby works all week.

Louise works M, T, W and F and Max is joining us on a Th.

This term, our topic is:
'All About My Self'.

We will be using lots of different activities throughout the school day and across the curriculum to develop our understanding of our bodies, our feelings, our lives, our likes / dislikes and the people around us that are important to us.

Topic

Communication, Language and Literacy

In English this term, we will be sharing some classic stories, beginning with myths and fables in Autumn 1 and moving to fairy tales in Autumn 2. We will also be developing our phonics skills in our daily phonics sessions and developing communication skills right across the school day.

Thinking and Problem Solving

In Maths this half-term, we will be learning all about the number system and exploring addition and subtraction through number songs and practical activities. After half-term, we will be looking at measurement, comparing big and small and long and short. In Science, we will be exploring sound in Autumn 1 and materials in Autumn 2.

Independence and Wellbeing

In our PHSE lessons, we will be learning about ourselves and the groups to which we belong: our families, our class and our school community. We will be working hard to ensure all of the pupils in Maple Class feel happy and regulated at school and there will be lots of opportunities for this through sensory breaks, creative activities and our wellbeing-focused activities every day.

Notices

- A reminder that we are a nut-free school and especially a nut-free classroom. Please ensure any snacks or food sent into school for your child are free from nuts and nut products.
- We are still finalizing our timetable slots for Hydrotherapy and Rebound, but will be accessing these on a fortnightly basis (one week Hydro, next week Rebound). We will let you know when we need swimming kits in school as soon as we have confirmation of this.
