

## THIS WEEK IN SLEEPOVER CLUB .....

### Playing games -

We have enjoyed playing different games and sharing our experiences with our friends.

### Exploring space, stars and planets -

We have explored different planets, stars and moons and have found out about how we can travel into space.

### Cooking -

We have used our senses to explore different foods and have used these to make soup.

13th February 2026

## SAVE THE DATE .....

We would like to share with you the date for our Sleepover Graduation this year. We will be holding our graduation celebration on Friday 3<sup>rd</sup> July at 10:00am. More details to follow,

## WHAT WE HAVE ENJOYED .....

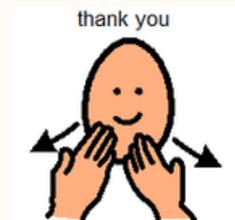

### Socialising and playing with our friends

We have had great fun exploring the sensory room, our toys and the switch adapted games consoles.

## A BIG THANK YOU!

We would like to express a big 'Thank You!' to Simon's Heroes who have supported our refurbishment of our sensory room within Sleepover Club. Please see the next page that shows our transformation!

# EXPLORING SPACE, STARS AND PLANETS.....

We have had great fun exploring what it would be like to travel into space. We have explored different planets, stars and the moon.

We have all been interested in the telescopes and how we can use these to look into the night sky.

# COOKING - MAKING SOUP ...

We have explored different foods, through smelling, touching and tasting these and have used the ingredients to make soup. We have practised peeling, chopping and stirring.
