

# Saxon Hill Academy

Celebrating diversity 16<sup>th</sup> June 2025

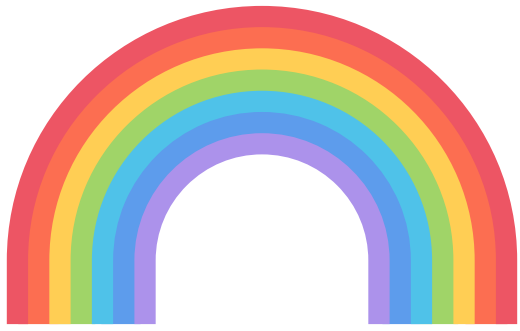

We all enjoyed the day, celebrating and embracing diversity in society and our school family.

Everyone has something to offer and recognising difference in a positive way enables us all to have a richer life and to see the beautiful colours of the rainbow represented by each individual we meet.

Let's all try to see the beauty and value in one another and make this a brighter and happier world where we spread joy and appreciation for that individual characteristic that makes us all original and special.
