WHAT A FUN WEEK WE HAVE HAD

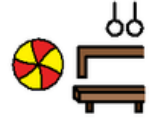

PLACEMENT REVIEW FORMS

We are currently in the process of completing placement reviews for some of our pupils, which will be sent home over the next couple of weeks. Please could you fill in the parent and pupil feedback forms attached with these and send back to Sleepover Club, Many thanks.

We have had great fun exploring different sporting equipment and how we can make these move. We have investigated how far foam javelins can move, rolling and kicking balls to score goals, played skittles and explored how high we could lift the parachute.

We have also explored different games we can play and have particularly enjoyed playing hide and seek!

We have enjoyed listening to and exploring different stories, using our senses to explore the stories further.
