THIS WEEK IN SLEEPOVER CLUB

Scavenger hunt in forest school -

We have enjoyed going for a walk outside and exploring forest school and the school playground. We have explored lots of different natural artefacts, using our senses.

Developing our social, play and interaction skills -

We have all enjoyed playing different games, sharing interactions with each other. We have enjoyed using the sensory room and exploring the different lights, bubbles and music.

Shopping and cooking -

Some of us have walked to the local supermarket, practising our road safety and have brought something for our dinner, cooking this when we returned.

18th September 2026

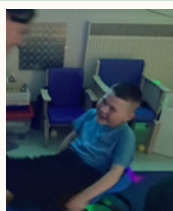

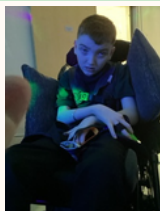

PLACEMENT AND MEDICAL FORMS...

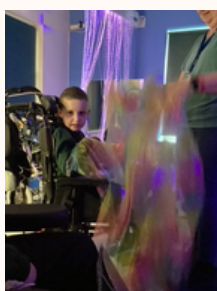

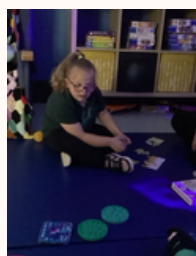

Please could you fill in and return any outstanding medical consent forms, permission forms and contract forms for Sleepover Club by the end of next week, Friday 25th September.
Thank you.

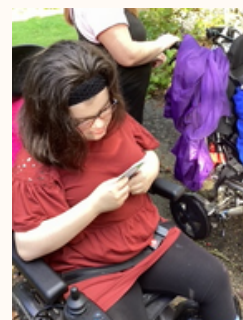

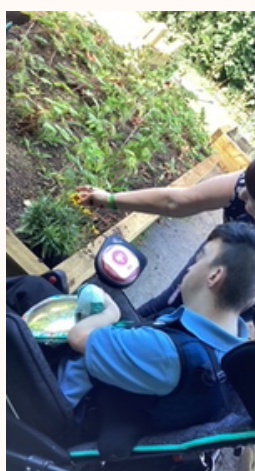

FUN IN THE SENSORY ROOM

We all love our sensory room and engaging with the different toys, lights and music. We have great fun relaxing in the sensory room.

EXPLORING FOREST SCHOOL

This week, we have been to forest school, using our senses to explore the smell, sights, sounds and textures of the different items that we found. We have looked at the signs of nature and have enjoyed creating sounds with all of the leaves that we found.

GOING SHOPPING AND COOKING OUR DINNER

We have enjoyed walking to the Co-op, practising our road safety skills, as we crossed the roads to get to the Co-op. We investigated what we could buy for our dinner, using a budget and then cooked what we had brought, when we got back to Sleepover Club.
