10th October 2025

Hello!

Hello everyone! We hope you have had a good week. We have been really busy in Sleepover Club this week. We have been exploring Harvest, exploring different vegetables, pumpkins, conkers and cones and have explored making scarecrows. We have also enjoyed using the sensory room, exploring the interactive floor projector, tapping onto the leaves to reveal different images and sounds.

Some of us have been on a trip to Dobbies garden centre in Shenstone on Thursday. We were invited to go and have a look around their Christmas range launch night. We took part in Christmas signed singing and signed along to lots of Christmas music! We also walked around the centre looking at the Christmas decorations and brought some new Christmas decorations for Sleepover Club.

We have also had a visit from Jade, who brought her newborn twins in to see us.

We hope you have a lovely relaxing weekend, Your Sleepover Team.
