

Sleepover Club Newsletter

12th September 2025

Welcome

Hello and welcome to the first Sleepover Club Newsletter of the Autumn Term. We hope you have had a good relaxing summer and have enjoyed some of the sunshine and warmer weather we have had.

We have had lots of developments within Sleepover Club over the summer holiday, including some new furniture, carpet and pictures in the corridors. We have also had some lighting in the Sleepover Club garden.

We have been having some technical issues with our direct phone line to Sleepover Club (01543 417178) with the phone line going straight to answer phone. If you need to contact Sleepover Club, please phone the main school office on 01543 414892 and then press option 4 for Sleepover Club.

Our Activities this week...

We have all enjoyed our first night back in Sleepover Club, socialising and playing with our friends, contributing to a Children's meeting and developing our independence skills. We have laid the tables, made our beds and have even put some new furniture together, following instructions to make flat pack furniture.

Sleepover Club Developments...

We are pleased to share with you some of the developments that have taken place in Sleepover Club over the summer holidays. We have had some new furniture in the bedrooms, pictures in the corridors around Sleepover and some lights in the garden. We are really pleased to share with you that a local charity have agreed to support us in our development of the sensory room within Sleepover Club. At the end of the month, a group of volunteers from the charity are coming to decorate the sensory room and then they are purchasing us lots of specialist seating, mats, lights, tactile toys and resources for use within the sensory room. We look forward to sharing this development with you soon.
