THIS WEEK IN SLEEPOVER CLUB

Learning about road safety -

We have investigated how we can cross the road safely.

Gardening -

We have visited the local garden centre and have brought different plants for our Sleepover garden, which we have enjoyed planting.

Easter activities -

We have been creative decorating eggs and exploring signs of spring.

20th March 2026

SAVE THE DATE

We would like to share with you the date for our Sleepover Graduation this year. We will be holding our graduation celebration on Friday 3rd July at 10:00am. More details to follow,

CHALLENGE BADGE.....

As part of our Children's University accreditation and awards, we are taking part in a Spring challenge, which will help us achieve credits towards our graduation at the end of the year and we will also get awarded a badge and a certificate. We will be taking part in some Spring activities and are working on our Sleepover garden, planting Spring flowers and plants. Why not have a look for signs of Spring in your garden or when you go for a walk?

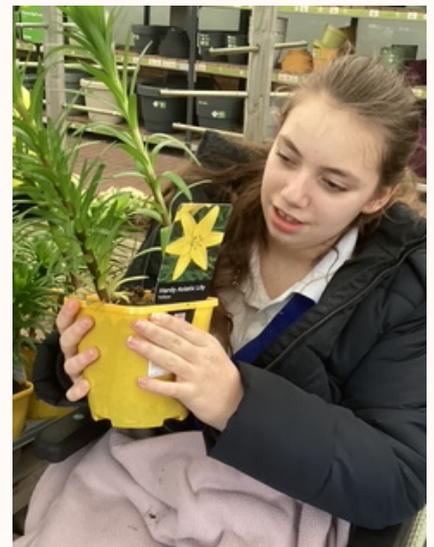

MEDICATION FORMS

Please could completed medication audit forms be returned to Sleepover Club before we break up for the holidays.

Many thanks.

We have been excited to go on a trip to the local garden centre. We looked for signs of Spring and choose our favourite plants and flowers, to bring back to Sleepover, to plant in our garden.

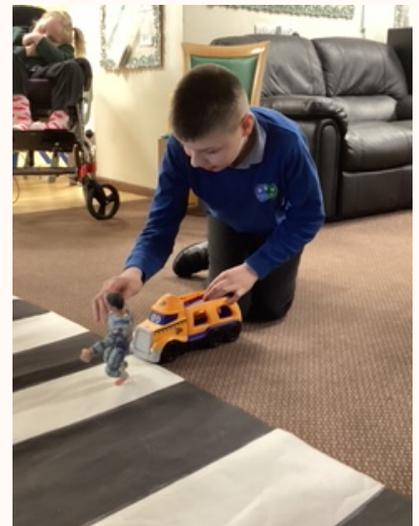

LEARNING ABOUT ROAD SAFETY.....

We have researched road safety and how we can cross the road safely. We looked at different crossings that we can use and hazards that we need to look out for.

GARDENING AND EXPLORING SIGNS OF SPRING...

With the lovely weather this week, we have enjoyed time in the garden, playing, socialising and doing some gardening. We decided where to plant the plants that we brought from the garden centre and what tools we would need to use to plant these.

EASTER AND SPRING ACTIVITIES...

We have been creative designing and decorating different eggs and have displayed these on our Spring tree. We have also explored signs of Spring.

EASTER AND SPRING ACTIVITIES...
